...and the world's richest and smartest person **Elon Musk** also knows about former **Soviet Union** communist **KGB** master spy [Yuri Bezmenov](#), who after defecting to the **West** in **1984**, warningly explained exactly how communist forces would destroy the **United States** from within: **The most striking thing about ideological subversion is that it happens in the open as a legitimate process. You can see it with your own eyes.**

What it basically means is: to change the perception of reality of every American to such an extent that despite of the abundance of information no one is able to come to sensible conclusions in the interest of defending themselves, their families, their community, and their country.

This process is a great brainwashing that has four basic stages. The first stage is called “*demoralization*” which takes from 15 to 20 years to achieve.

People who have been gradually “*demoralized*” are unable to understand that this has happened to them. They are programmed to think and react to certain stimuli in a certain pattern. You can not change their mind even if you expose them to authentic information. Even if you prove that white is white and black is black, you still can not change the basic perception and the logic of behavior. Demoralization is a process that is irreversible.

Once demoralization is completed, the second stage of ideological brainwashing is “*destabilization*”. During this two-to-five-year period, what matters is the targeting of essential structural elements of a nation: economy, foreign relations, and defense systems.

The third stage would be “*crisis*”. It would take only up to six weeks to send a country into crisis.

The crisis would bring a violent change of power, structure, and economy and will be followed by the last stage, “*normalization*”. That’s when your country is basically taken over, living under a new ideology and reality. **This will happen to America unless it gets rid of people who will bring it to a crisis. If people will fail to grasp the impending danger of that development, nothing ever can help the United States. You may kiss goodbye to your freedom.**

4 STAGES OF IDEOLOGICAL SUBVERSION

DEMORALIZATION — educate an entire generation in Marxist ideology

DESTABILIZATION — economy, foreign relations, and defense systems

CRISIS — violent change of power, structure, and economy

NORMALIZATION — period of stability (until the next cycle reaches crisis point)

News from The Neal Show

[...I'm beginning to think the biggest mistake we have ever made, was in looking to trump in the first place...maybe he truly is a good guy...doesn't matter...we are still putting our hope OUTSIDE OF OURSELVES...there is only ONE LAW that will govern the future of this planet, and that is the "choice" made by the people themselves...this whole thing of heroes, and kings, and royalty, and white hats...we're still looking outside of ourselves to save us, and in that regard,

haven't we ALREADY surrendered our will?...what if we had taken ALL OF THIS TIME we're using to find out "who are the good guys and who are the bad guys", and put it into preparing a life we actually WANT TO LIVE IN...???

...willie tells us he thinks trump is a luciferian and a satanist, and then goes on to say "there's no point in criticizing trump"...czebotar talks about trump "coming after the Christians", but later expresses hope that he will somehow see this is a mistake...ghenghis tells us "he's all we've got, so we should support him"...mike king tells us trump is actually playing the jews...king is recognized as a consummate researcher, yet he can't even see through the Kazarian smokescreen...AIM {Gabriel} says he's controlled by the "Pilgrim Society", and David Armstrong Livingston says trump is in the with new agers...makow has NEVER EVEN ONCE stopped to consider trump as a possible good guy...even jim stone bailed on trump in the end...so WHERE IS THE RESOUNDING PROOF THAT TRUMP WILL SAVE US...all I'm finding out there (aside from the sycophants)...well, if that's the best we've got, I GUESS we should support him...

...WHAT HAPPENED TO "WE THE PEOPLE"...????...

...another researcher emailed me just today "I've reached the point where I can take no more evil"...it's happening to me too...something inside of me is saying everything has changed, and I need to face the new reality...another researcher in this group emailed me about "faith" and the need to rely on FAITH, not just "research"...he is strong and unwavering...this has given me pause to reflect on my own faith...his faith is an example to me...

...here is how Gabriel from AIM put it:

"Furthermore, I will be signing off on any further political commentary or research as there can be no recovery from Donald Trump's treachery. Better to get prepared for the next collapse – the dollar and the stock market.

I WILL NOT BE VOTING FOR DONALD TRUMP AND J. D. VANCE BECAUSE TO DO SO IS TO AGREE TO GIVE UP AMERICAN SOVEREIGNTY TO THE BRITISH PILGRIMS SOCIETY.

This is a spiritual agreement that I cannot make. We know the votes are rigged, but if I go and actually make a physical gesture to vote for these traitors, I have told the Devil that I am in agreement."

...right now, I'm with Gabriel...I will NOT be voting for trump...in fact, as long as the current system remains in place, I may never vote again...

...look at all the time we're spending on the assassination...making fun of Kamala...taking apart walz one piece at a time..WHAT ARE WE ACCOMPLISHING ?!?!?...what are the chances this is ALL JUST ANOTHER DISTRACTION...like the white hats...like the redemption centers...like GESARA/NESARY...we're always LOOKING OUT THERE for something...we are NOT ASKING OURSELVES HOW WE WANT TO LIVE AND CREATING THAT LIFE...clif, I love you man...but you said THREE YEAR ago, we would not have a REAL depression...go back 5 years and look at what you were telling us then...is that what we see now?...you were COMPLETELY WRONG about your prediction of the "event"...maybe you should start with explaining that to all us of before coming back with more "good news"...Utsava? Completely off the rails...

...I am SO TIRED of trying to find some "outside source" that is going to save us all...for Christians, you have it best of all, and I share this with you...we DO have a savior...who we CAN depend on...how about we throw the REST of the so called "royalty" of planet earth in the trash and concentrate on building a life based on our love of God...now THAT'S something I can "vote" for...

[Royalty - Definition, Meaning & Synonyms | Vocabulary.com](#)

Royalty is a good **word** for describing a family of kings, queens, princes, and princesses. If you are in the music business, you may expect a payment, or **royalty** every time your song is played. How's that for royal treatment?

...let me give you the greatest "lie" of them all...that "the white hats" needed to let it get this bad to wake up the people...NO...THEY JUST NEEDED US TO DO NOTHING FOR ANOTHER FOUR YEARS WHILE ISRAEL PUT THE FINAL NAIL IN THE COFFIN...thank you DONALD TRUMP...]

“Transgender” ideology is a political coup of the transhuman agenda

By [Rhoda Wilson](#) on [August 5, 2024](#) • ([3 Comments](#))

 Print  PDF  Email

“Transgender” is not a type of person but a conglomerate of political and corporate pressure, grooming the next generation for industrial body dissociation.

Synthetic sex identities manifested by elites in the medical-technology industry are conditioning the public to accept radical changes to human biology and our perceptions of ourselves as a species.

The “transgender” ideology is feeding a for-profit industry initiated by wealthy, influential individuals, families and banks.

It is a political coup of mammoth proportions staged by an organised technological, religious cult with eugenicist underpinnings which is very closely linked to the biotech industry.

[Transhumanism: Capital-Driven Colonisation of the Living](#)

By [Paul Cudenec](#)

Jennifer Bilek is a contemporary artist ^[1] and journalist who has led the way in challenging the transhumanist agenda being promoted by the global system.

Typically for an organic radical thinker, she finds no place for herself in the usual “political” categories used to restrict our understanding.

As she explains on her *11th Hour* blog: “I have been on the left side of politics all my life, until now, where I find myself in a political wilderness, with no political home”. ^[2]

She recounts in a May 2024 interview that she grew her “sea legs” as a journalist during the 2011 Occupy Wall Street movement in New York. ^[3]

Bilek wrote in 2018: “As an environmental activist who was de-platformed from a speaking venue by transactivists, in 2013 I developed curiosity about the power of this group to force this development”. ^[4]

She said that a year later, when *Time* magazine announced a transgender tipping point on its cover, she had already begun to examine the money behind the transgender industry.

Her conclusion, after years of detailed research, is that “transgender” is not a type of person but a conglomerate of political and corporate pressure, grooming the next generation for industrial body dissociation.

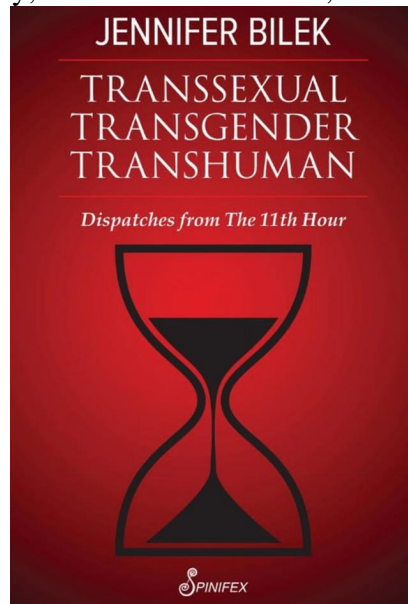

Synthetic sex identities manifested by elites in the medical-technology industry are conditioning the public to accept radical changes to human biology and our perceptions of ourselves as a species.

We are witnessing “a political coup of mammoth proportion” ^[5] staged by “an organised technological, religious cult with eugenicist underpinnings” ^[6] which is very closely linked to the biotech industry. ^[7]

The sudden and ubiquitous presence of the trans industry in our society is a major red flag, observes Bilek.

“When governments, across the Western world, international corporations, the largest international law firms, banks, religious organisations, educational institutions, right down to children’s grade schools, all adopt the same narrative, that contradicts what we know about something so fundamental to our biological reality, as our sexual reproduction, and our position within the natural world, you have to realise that something is very wrong”. [8]

The pursuit of profit inevitably plays a key role in the manufacture of this corporate-backed pseudo-movement, with gender ideology initiated by wealthy, influential individuals, families and banks. [9]

She notes in an article introducing her 2024 book of collected essays, ‘*Transsexual Transgender Transhuman*’: “The surrogacy and technological reproduction markets are already generating billions of dollars in steadily growing revenues. Collectively, they are projected to reach into the hundreds of billions by 2032”. [10] Bilek’s work has involved identifying and exposing a number of the extremely rich families and individuals behind the gender industry.

She remarks that no one is more important than Martine Rothblatt, [11] a transsexual, transhumanist lawyer and entrepreneur, who authored the first “gender bill” in the USA and “writes and speaks often about ‘transgenderism’ fertilising the ground for transhumanism.” [12]

In August 2022 she exposed the dubious activities of the Pritzkers, one of the wealthiest families in America, namely “their plight to engineer the normalisation of synthetic sex identities through funding of our medical, legal, cultural, military, educational, and other institutions.” [13]

Bilek reveals: “Yale University has been privy to a windfall of Pritzker cash and, subsequently, the creation of a growing programme in manufacturing synthetic sex.

“The psychiatric community has been bought off by huge cash dumps from billionaires invested in the techno-medical and biotech industries, driving a religious cult through the media and all our institutions.”

A key element in this cult is the way in which the “left” has been fooled into cheerleading its tyrannical advance, thanks to “corporate marketing of the ideology as progressive.” [14]

This is particularly true of the current incarnation of the LGBTQ+ network, which is “working closely with the techno-medical complex, big banks, international law firms, pharma giants, and corporate power to solidify the idea that humans are not a sexually dimorphic species.” [15]

“LGB signals human rights. The supporting characters, T+, work to obscure the industry and technology behind the façade of human rights.” [16]

“Most people don’t realise how big, Big Pharma is, and that it is a global system. It is estimated by some to be bigger than the military. Big Pharma and Big Tech are operating this agenda and using the LGB human rights movement as both a cover and the site at which technology is usurping reproduction and human sexuality.” [17]

This “progressive” positioning of the industry has meant that attacks on Bilek have not come directly from the business interests she criticises, but from their proxies on the pro-trans left.

For instance, a 2023 smear piece on a left-wing French website absurdly claimed that Bilek’s opposition to the gender industry meant she had joined the “extreme right.” [18]

And the UK’s *Freedom News*, once an anarchist publication, announced that she was “a source of growing anti-semitic conspiracy theories.” [19]

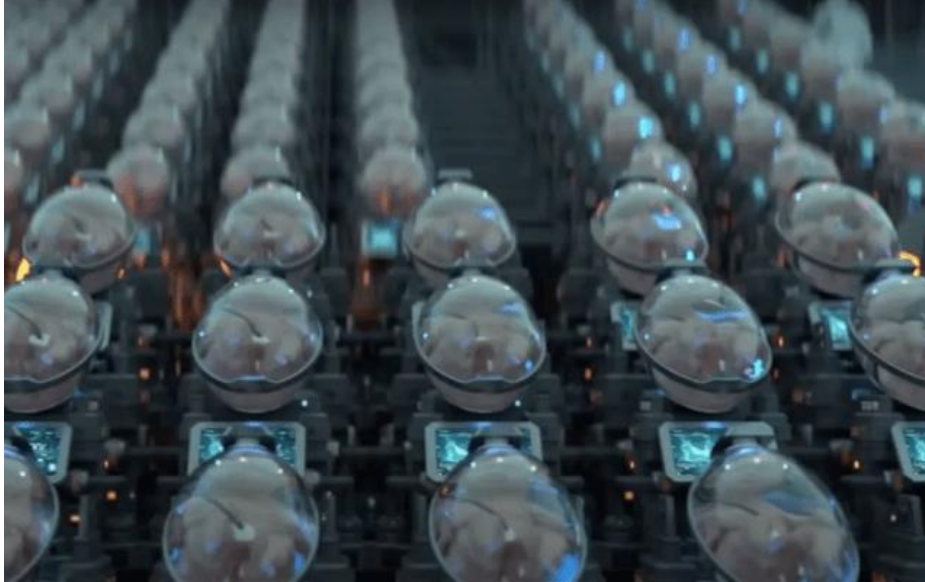

Her decade of investigative journalism was dismissed as “a complexly developed conspiracy theory of a secret plan by Jewish billionaires to use ‘transgenderism’ as a plot to bring about a transhumanist immortality project and enslave humanity through technocapital.”

It turns out that this article was originally produced by an organisation linked to Big Pharma’s Wellcome Foundation; impact capitalism; Jewish “philanthropy” and Vanguard, a pillar of the Rothschilds’ global financial empire. [20]

Bilek has written of “the most extreme form of gaslighting I have ever seen perpetrated against the human population,” [21] and when asked in an interview why she thought there was such an effort to disallow and censor views like hers, she replied: “Profit and power. It really is that simple.” [22]

Bilek has been a source of inspiration for fellow orgrad [[Organic Radicals](#)] thinker [Silvia Guerini](#) [23] and she, in return, has praised her Italian allies’ activism against the bio-tech industry. [24]

Like Guerini, and indeed [Alexis Escudero](#), Bilek has warned of the alarming prospect of a future world without mothers.

“We are currently still a sexually dimorphic species but with research into ectogenesis, creating embryos in a dish, and large and small gametes from skin cells, there may come a time when we don’t ever need to copulate to reproduce and women will no longer gestate the species.” [25]

“The whole thrust of this agenda is really to move human reproduction to the tech sector.” [26]

“Reproductive sex is being deconstructed for the market: eggs, cervixes, hormones, breasts, wombs, etc. It is why women are being reduced to terms like chest feeders, birthing bodies, cervix havers, etc.” [27]

And, again alongside Guerini, she is concerned about the use of children to push through this assault on the natural life processes.

She writes: “Children are being groomed for this future. They are being indoctrinated in schools to the idea they can choose their sex and to see themselves as compartmentalised mix-and-match parts, vs whole biological systems attached to and sustained by the natural world.

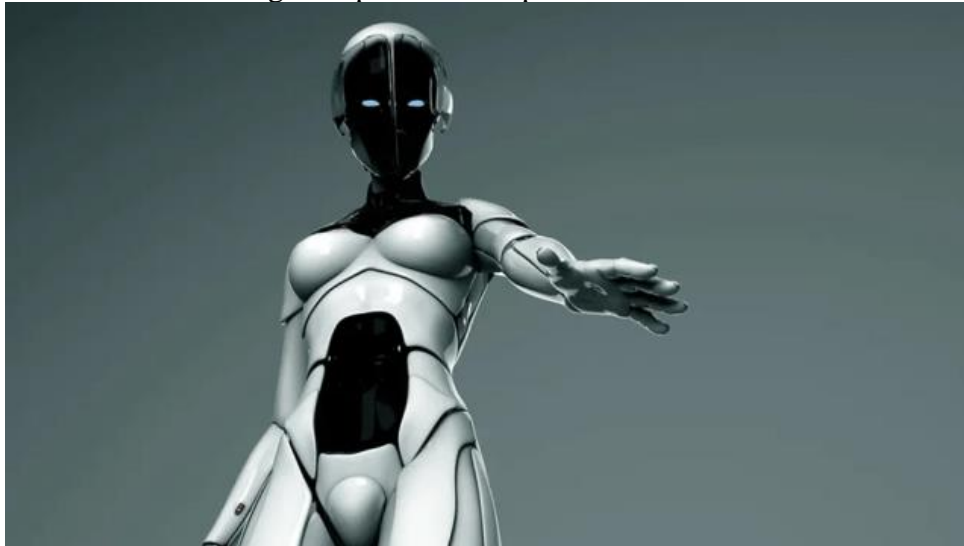

“They are being taught about reproductive technologies and surrogacy in grade school, that some families are created via technology.

“They are being taught that they can transcend their human bodies and that sexuality is a smorgasbord of acts, having nothing to do with reproduction or intimate bonding, and they are being sexually traumatised into a state of dissociation.” [28]

The aim is “to create malleability in the next generation”, says Bilek, [29] and to “unmoor humanity from the biosphere and acclimate us to a more intimate connection with technology.” [30]

This is an incredibly dangerous process, she points out: “Once we open the door to accepting vast changes to human biology, that undermine the very definition of what it means to be human as a sexually dimorphic species, we have opened up a Pandora’s box for melding humans with technology and AI.” [31]

“We have reached the 11th hour. We need to decide if we will let go of our humanity in exchange for an elusive, illusive idea of a techno-utopia where we won’t die and we can cure, have and be everything we desire with technology – or, will we cleave to what is left of our humanity as technophilic elites invested in pharma, tech, AI, gene splicing, organ transplants, and genetic modifications that take us well beyond the realm of human, fight to extract it from us through the process of capital-driven colonization.” [32]

We face the real danger of being separated from the natural living world in favour of a “roboticised, virtual existence”. [33] This is “an issue of reality versus anti-reality.” [34]

The transhumanist mission to merge human beings with technology will lead to us being “changed forever” if we do not wake up fast, she says. [35]

“Transhumanism is the single most important thing to resist if we are to stop the deconstruction of our species.” More than that, a big change of direction is needed for humankind, insists Bilek: “We must divest from tech and reinvest in the natural world, or we are just forestalling our inevitable destruction.” [36]

Almost everything in our news cycle is questionable. The lines between fact and fiction have become blurred.

What our leaders and mainstream media peddle as the truth is often misinformation. And what is really the truth is smeared as misinformation. In an era of rolling news and social media, the bamboozle has captured us. In particular, our ‘elites’ masquerading their greed as virtue.

The modern world is a simulacrum, where reality has been replaced by false messaging and imagery, to such an extent that one cannot distinguish between fact and fiction. And as a result of this, everyone squabbles through the prism of their own confirmation biases and ideological impulses.

We are ruled by a nefarious group of individuals that have an unquenchable thirst for power, control and money, and they don’t care what they have to do to get it. And that includes tricking people into thinking they are the virtuous good guys who are here to keep us all safe. And tragically, millions of people are completely duped by this.

What we have witnessed over the Covid response, the war in Ukraine, the Net Zero agenda on climate change and many other current issues is a movement of faux-virtue that has been carefully crafted by corrupt politicians, messengers within legacy media outlets, greedy corporations, messiah delusional billionaires and undemocratic technocrats to create the impression that they are the virtuous ones who are our friends.

These people are not our friends. Their primary objective is to hoodwink us into believing and complying to their virtue, but in reality being tricked into giving away more freedoms, power, wealth and assets to these virtue vultures.

The reality of all of this is that we are sleepwalking towards the biggest asset grab in the history of the planet. They are trying to destroy farms, land, businesses, freedoms, housing, individual wealth, travel and own them or sell them off to the highest bidder. And at the same time, they are trying to ring-fence society into the entrapment of being controlled by data – either through health passports or the slow mission creep towards central banking digital currencies (CBDCs).

It’s a giant asset grab of what we own and control. They frame all of this being in our best interests. But it’s the biggest swindle ever.

This gargantuan virtue con-trick also comes with a huge slice of authoritarianism. Anyone who sees through it, questions it, stands up to it or shows opposition to it are immediately ridiculed and ostracised by the group-think mob:

Question the Covid response? “Covidiot” Question the wars? “Putin apologist” “Antisemite” Question net zero? “Climate change denier” “Far-right”

This is gutter politics designed to shut down and undermine any opposition or questioning.

But not questioning the narrative is a huge form of denial. Because any government, technocrat or institution that advocates medical discrimination, suppression of civil liberties and a transfer of wealth and public assets to the rich while the rest of society endures a cost of living crisis is not your friend.

Don’t be fooled by their virtue. It’s a giant con. In reality, they are indulging in a massive asset grab. They are treating the world as feudalism, but under the guise of “it’s for your own good” or “safety” faux virtue. A Machiavellian weapon that power hungry sociopaths use for control.

Fake virtue peddled by governments and authorities for mass compliance and social control is oldest trick in the authoritarian playbook.

Don’t be fooled by it. Because when totalitarianism arrives, it will come cloaked in fake virtue.

Savvy Granny - Satanist Jews Seek White Genocide

August 8, 2024

(left, Emmanuel Rabinovitch)

I see the Cabalist Jewish agenda [as occult \(satanic\) in nature](#). But Savvy Granny points to Rabbi Rabinovitch's 1952 speech which suggests that Jewish race is paramount. They want to kill all non-Jews. I find this hard to believe since so many Jews are being sacrificed in the gratuitous Hamas/Iran/Hezbollah war.

SG sees the riots in the Uk in Rabinovitch's terms:

"...to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we will stage anti-Semitic outbursts in several of their largest cities. This will serve the double purpose of exposing the reactionary sectors in America, which can then be silenced, and of wielding the US into a devoted anti-Russian unit."

The NWO will see the integration of Eurasia as a single polity as the centrepiece of what will be a Judaic imperium and its world Soviet.

- The following speech was given by Rabbi Emanuel Rabinovitch before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952

"The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a king and every Gentile a slave. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born.

(See white genocide in the context of poisonous COVID shots and gratuitous war, i.e. Ukraine)

"Our control Commissions will, in the interest of peace and wiping out our interracial tensions, forbid the whites to mate with white. The white woman must cohabit with members of the dark races, the white men with black women. Thus the white race will disappear, for mixing the dark with white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the *Pax Judaica*, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark people."

"... This war will end for all time the struggle against the Gentiles... Our race will rule undisputed over the world... And so, with vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World".

"Forbid the Whites to mate with Whites. The White Women must cohabit with members of the dark races, the White Men with black women. Thus the White Race will disappear, for the mixing of the dark with the White means the end of the White Man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the *Pax Judaica*, and our race will rule undisputed over the world. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

or <https://renew.com/general45/full.htm>

His subject is the civil wars that will be needed to precipitate WW3.

The same could be said for 'anti-migrant, Muslim' tensions in the NW European nations.

Only after the War will "we openly reveal our identity with the races of Asia and Africa" to the "wrecked countries."

"The Russians, as well as the Asiatic peoples, are well under our control, and offer no objections to the war, but we must wait to secure the Americans."

And by extension the White, Western European nations because one of the objectives of the WW3 will be to:

"...to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we will stage anti-Semitic outbursts in several of their largest cities. This will serve the double purpose of exposing the reactionary sectors in America, which can then be silenced, and of wielding the US into a devoted anti-Russian unit."

In order to bring about one of the key objectives of the war: "peace and the wiping out of inter-racial tensions" Through "our Control Commissions" / "we will forbid the Whites to marry or cohabit with Whites". So a complete genocide is here envisioned.

It would stand to reason that as with 'anti-semitic outbursts' in American cities, they are going to use the same playbook and implement their social engineering through their Agentur (the freemasonic traitor class of Revolutionary Assets) in all nations with large White demographics to bring racial / ethnic tensions to the boil, expose and silence 'reactionary sectors' [nationalism] and wield these nations into anti-Russian Units.

Count Richard von Coudenhove-Kalergi, founder and President of the Pan-European Union, the original EU, said this in his 1925 book, *Praktischer Idealismus*:

"The man of the future will be mixed-race... The Eurasian-Negroid race of the future... will replace the diversity of peoples... Russian Bolshevism constitutes a decisive step towards this purpose where a small group of Communist spiritual aristocrats govern the country... The general staff of both... are recruited from Europe's spiritual leader race, the Jews.

From the European quantity people... the mass, two quality races rise up: blood aristocracy and Jewry... both believe in their higher mission, of their better blood... The superiority of their spirit predestines them to become a main factor of the future nobility."

In 1950, Coudenhove-Kalergi was awarded the very first Charlemagne Prize. Subsequent winners have included Winston Churchill; Edward Heath; Bill Clinton; Henry Kissinger and Tony Blair. Of mixed-race himself, he was married three times. Two of his wives were Jewish.

This plan is well underway through the Kalergi-Coudenhove Plan, von der Leyen's Africanisation of Europe policy and the UN Global Compact on Migration, Kremlin Asset and manufactured billionaire: George Soros Open Society Foundation (including Tidewater and all the refugee NGOs).

"...because of our triumphant march across the planet, we have made the UN a weapon for our goals of seizing power over all kingdoms and nations. We will not allow any nations to evolve. And we will destroy by fire and sword all those nationalist movements that seek to lead people out of our dictate, as it is done in Georgia, Armenia and Serbia."

They don't need to apply this subversion to Russia because "they are already well under control" so the Putin actor has been scripted to play 'the only adult in the room' on the Western pseudstream, blah-blah and yada-yade.

Soviet Russia has the Crescent Nations well in hand with the SiG wars for the integration of the Eurasia as a single polity as the centrepiece of what will be a Judaic imperium and its world soviet - this is the NWO, not the Protocols 5.11 WEF globalist bogey.

This is how I see the 'Enough is Enough' riots erupting all over the UK.

-

I asked SG - If this is about "race" why are they wiping our Israelis, according to Pike's plan to pit Zionists vs Islam.

If this is about "race" why are they wiping our Israelis, according to Pike's plan to pit Zionists vs Islam.

Her reply-

Israel is actually quite a diverse society although it has a majority Ashkhenazim. And although it is predominantly Jewish it may not be up to Chabad standard as King's Torah Jewish.

I recall Bernstein's account of how discriminated he was IN ISRAEL because he married a Shephardic woman. As Golda Meyer recounted - the Palestinians of the dissolved Ottoman Caliphate are Arabs and Jews. And a lot of Arabs former Palestinians became Israeli citizens. A lot of Falashas became Israeli citizens. A lot of non-Khazarian Jews are Israeli citizens as well as Israeli Jews who have mixed marriages that the Elders call 'married to us'. Syria, Lebanon and Jordan are all Palestinian states carved out of the old Caliphate. They are judenrein and persecute Christians. Palestinians of these Arab Muslim ethnics all got their states (and refuse Palestinian immigration from the occupied territories) and the Khazarian Jews also staked their claim ethnically cleansed Palestinians. That is undebatable.

In my opinion, Israel actually has a lot of socially redeeming features. That doesn't mean I think the White Western nations should be ZOGs, but they are not the head of the snake. They are not even the nexus of the snake.

According to the Protocols only the super nationalism of the Jews will survive. For the Gentiles it is going to be: 'imagine there's no countries'. [They just showed this at the Paris Olympics in what I think is a most graphic fashion] The Israeli nationalism may not measure up to what the monolithic racial

collective of Chabad and King's Torah considers to be approved racial hygiene. I have written to you before that after WW3, I think they intend to resurrect Israel on the Zionist axis of their Great Revolution

The Big Machers and the racially pure Jews of the Chabad racial collective that are going to come through this are back in the centre of the old Khaganate in Khazaria - the Big Machers and the Chabadniks gathering to them from all over the world. The old serpent is finally starting to swallow its tail. They are now drawing the head of their snake over the ancient capitals in Nagorno Karabakh - look at the war over there with the Armenians. Look at the Armenian genocide. It is still going on btw. All blacked out of the pseudstream of course. Kiev was the furthestmost outpost of that once great empire - a mere outlier that eventually became the capital of the Rurik Dynasty. (Vlad went right into that in his interview with Tucker) **Israel as a state was only ever 'a peg on which to hang the Great Agenda' for getting all the Crescent nations into the Eurasia project under the control of Muslim crypto Jews - the SIG wars of the early 21st century. They are now all on board with the Eurasian Economic Forum, I see.**

The really interesting one that I follow is the Assyrian Confederation of Eurocrats - the ACE. This is top-tier stuff because ancient Khorasan sits right under Khazaria. They are all getting into position, Henry. I do want you and your Torah family to come through this.

YOU BETTER BE READY NOW.... GOOD INTUITIVE TELLS YOU LIKE IT IS....

My Intuitive Predictions for 2024 --- Intuitive.

August 1st 2024 I am writing this.

TAIWAN will be attacked by China soon..

A Bad attack!!! An Invasion , bombs all on Taiwan!

I see a horrible time shaping for the fall of 2024. This all begins. To the best of my foresight. If it were not so bad I would not post about it.

I see yet another assassination attempt on Honorable President Trump. I believe it is a building he is in and I see a bomb type of attack. I see three men all foreigners. I see him escaping the situation of this building explosion.

Bombs in two buildings. I see a bad day on August 24th/25th as well. This date August 24th / 25 October November seems to be when all this begins.

I see and feel Russia and China join forces and at that time I feel and see China launching an initial attack on the big Island of the Hawaii I see it like a 2nd pearl harbor.. I see people fleeing fire into the ocean as the big Island is bombed. I see a 2nd Pearl Harbor. I see war. At this time it is almost like a rocket is launched into the

U.S. explosion New York. I see a major cyber attacks taking the internet offline for days . This sounds so outlandish but it is what I see.

I see yet another very huge very huge earthquake effecting Japan again. Very very devastating.

I do see President Trump winning the election.

I see a major and I mean major financial collapse with black outs the power black outs in November.

This Chinese attack on the big island of Hawaii and there attack on Taiwan. Trigger it all.

I see huge food shortages in 2024/2025 I see goods and services stopped from China and the shelves of stores being empty especially Walmart. I see they totally stop sending goods to us.

I see a dire time with a major financial collapse beginning in October and November , I see a horrible time food medicines not being available. Electricity out in parts of the country. No medicines, food shortages.The housing market collapses, wall street collapses a major depression 2024-2025

I will write more later but I felt this morning I owe this information to those that still follow my predictions.

Unfortunately I do see another pandemic and I see it being worse than covid 19

I will try if I feel it to write more this week. But this is just information for those who need it.

I know many that still follow my predictions and I am so sorry to have to bring you this news but I need to tell you so you can possibly prepare for what is quickly about to happen now. This blog is being written early morning August 1st, 2024 and will not be edited after midnight central time of this date. And what I am feeling and seeing is very bad or I would not write about it.

(If you are on my private list and you know my private email, I will talk to you there. This is the email that was sent to you in June.)

I will try to write more later as an addendum to this and the date that is written will be noted.

Be Ready now..

UPDATE: August 3rd 2024I feel we have a total global economic disaster in 2024-25 effecting America to the point of a Depression a bad one. What is the cause? The Chinese attack and I feel and sense another pandemic event released by them that is a man made virus made in a laboratory that is much worse than covid 19. Much worse, and it spreads all over the globe.

The cyber attacks this year will be by the Chinese and Russia and there going to be unprecedented. Power outages. Network outages, Major Network outages, internet outages lasting days if not weeks. Major cyber attacks on major networks.

Be Ready now.

[\[link to rumble.com \(secure\)\]](#)

Facts known by evidence discovered and documented by doctors and scientists around the world in the last 3+ years since the C Shots were rolled out:

1) After 3 shots, the recipients no longer have any immune system...it's been turned off / destroyed by the C Shots (on purpose), and VAIDS exists now (Vaccine induced AIDS)

2) Crspr Caste 9 was used to edit the DNA of each recipient to do the following:

A)Remove cancer fighting systems in the body (turns them off), hence the rampant “turbo cancers” happening wherever the shots were given

B)Migrate to the heart, lungs, reproductive organs and the brain...and take over

C)The body becomes a factory for several things:

i) poison viper venom (Krate, Cobra and more) – making people chronically sick

ii) lipid nanoparticles (LNP) and hydrogel — self aware, self assembling nano bot technology throughout the entire body

D)because of the above 3 (A-C), the wombs of women are now hostile to babies in utero (the baby is an enemy to the body and reports are being hidden to expose huge percentages of babies are artificially self terminated by the mother's bodies... (fetal demise)

E)The LNP are creating antennas throughout the body (otherwise known as white fibrous clots, that are virtually indestructible even with heavy duty industrial solvents, and they do not weaken or disperse using standard anti-clotting meds and treatments.

74% or so of those being embalmed have these white fibrous clots, which in effect kill the men, women, and children by blocking blood flow to the body. And it's worth noting that the clots continue to grow when outside the body for months while in formaldehyde in refrigerated conditions.

F) The LNP begin doing the following on rapid repeat with no off switch..

i) infect each and every cell in the body and rob it of its nutrients and minerals to create more LPN antennas and microchips in the bodies of each recipient.

ii) Create new synthetic red blood cells of a different (demonic) DNA

iii) Create a third helix (instead of a double helix DNA)...again, demonic

iv) Create secondary control systems in the brains of each recipient, effectively taking over the mind.

3) Cesium 137 — nuclear — to track and trace the recipients anywhere in the world

4) Some people report Bluetooth signals from their bodies (and even after death, Bluetooth signals are picked up in graveyards from the graves of the dead)

And there's more being discovered each and every day, using dark field microscopes, and more...

NOT EVERYTHING IS AS IT SEEMS IN ISRAEL<> IRAN

Q

We are saving Israel for last.

Very specific reason not mentioned a single time.

Why did Q write this?

Since 2017 and the beginning of Q Intel drops, Israel military conflict was at an all time minimum.

\_Now after 7 years and Q Intel drops. Israel and the Middle East conflict is coming into a massive MASSIVE WAR EVENT. ( ISRAEL .U.S./ IRAN. RUSSIA. CHINA + major middle eastern countries as TURKEY, Syrian , and several more are backing Iran and the Palestinians/// & a >NEAR NUCLEAR WAR EVENT is on the Horizon)

So what's happening?

> First you must understand [DS] CABAL IN DC ARE FUNDING BOTH OPERATIONS IN ISRAEL AND IRAN< ( Obama+CIA/Carnegie Endowment/GLOBALIST ELITES)

>

>Russia knows this. So does Mohammed Bin Salman. So does China and Trump////

The Real CABLES>[: IRAN is full of massive corruption that is STILL controlled by deep state and GLOBALIST/CIA operations.

>The only way to clean Iran is through the fall of their deep state regime. And this includes a REVOLUTION and military intervention>> currently Russia, Saudi ( MBS) are in talks with military leaders in Iran who want to over through the government and clean the house of Iran.

Military intelligence know that Mossad and Iran deep state operations killed their own President Ebrahim Raisi and the deep state installed the new Iranian president Masoud Pezeshkian who is behind the scenes working with Carnegie Endowment.

The CIA UN GLOBALIST+ [ FULL DS] / have promised Pezeshkian he will supply all of Europe with oil and the U.S. .. And become allies with the pentagon. They want him to cut tires with Russia . Saudi Arabia ( this why Carnegie Endowment> Carnegie Politka-posted the story of Pezeshkian joining the West and cutting ties with Russia)

\_+ at the same time [ THEY] CIA GLOBALIST want Iran to sacrifice their own people to war with Israel  
\_ NOW DO YOU SEE THAT THE DEEP STATE CABAL IS FUNDING BOTH IRAN AND ISRAEL.  
OBAMA. BIDEN BOTH FUNDED ISRAEL AND THE U S. AFGHANISTAN WEAPONS ENDED UP IN IRAN ( behind the deep state scenes Obama/CIA controlled the International Atomic Energy Agency and pretended to cut off Iran to acquiring nuclear weapons.. But a secret deal was made between Obama CIA and Iran that allowed them to continue.... All this is connected to CIA controlling Iran government military heads and causing chaos in Iran/ unrest)

\*I have told you many times. The deep state want Israel to be attacked to bring in sorrow for the ISRAELI and start world military programs to protect Israel., more funding from European countries to Israel and more laws created in world courts..... But the real reason( money laundering,>>> creating race wars through the world and blaming Patriots and conservatives thru the.U.S. >UK< CANADA >EU for racism and antisemitic hate for talking against the Israeli conflict, deaths and operations..... It's already began in the UK riots as race wars begin and putting nationalist ( those who support their country and people) against the Muslims or against Jews. /////

Anyone who says anything about Israel will be labeled a racist and countries are trying to install censorship laws through Europe and this is why they are trying to take down Elon Musks X >> they are trying to take down TRUMP)

THE FAKE FALSE FLAG EVENT IN THE MIDDLE EAST is connected to CONFUSION. USING CHAOS TO COVER UP THE PANDEMIC AND INVESTIGATION INTO VACCINE DEATHS. THE BIOWEAPONS INDUSTRY. THE MONEY LAUNDERING THROUGH ISRAEL AND UKRAINE THAT IS CONNECTED TO CIA. CARNEGIE ENDORSEMENT, UNITED NATIONS. NATO AND THE ELITE GLOBALIST OPERATIONS THAT CREATE WORLD WARS. AND SEE HUMAN TRAFFICKING INDUSTRY OF THE CIA. MOSSAD. MI 6 OPERATIONS THROUGH THE WORLD.

That's why Q said.

~~~~~  
We are saving Israel for last.

> Because the massive DC. corruption, European corruption is in bedded in the Israel Zimost Operation and the fake Kazariran AshkeNAZI Jews of Europe that stole the identity of the real Jewish people. That's why and how the Rockefellers.Rothchilds came from the same area and region in southern Germany where in 1776 the illuminati was created..... And the illuminati Rothschilds. Rockefellers.jp Morgen. Bush family funded Hitler.
>They funded both sides of the war> Hitler Nazi and Western Armies and created world war one and two,.. They created these wars to create ThE UNITED NATIONS to create Israel and the money laundering capitol of the Middle East. > Israel > (this is how Zionist became wealthy and this how they took over the world funding Washington DC Politicians and controlling social media. Google. YouTube Facebook)///// with the creation of the United Nations . Human trafficking and sex trafficking trade became easier bypassing laws of the government and holding immunity from prosecution or investigation ,military prosecution and indictments. With the Creation of the CIA in 1952 the GLOBALIST Kazarians fake jews went after Ukraine (their old home during the Kzar/ kazar/ kazarian times) and moved the worlds biggest human trafficking trade in the Slovak regions and created the money laundering operations of Europe funneling money through

Ukraine.

(The story of the 3 Reich/ Nazis / kazarians

Going after Ukraine is connected to revenge on Russia who stopped the plans of Hitler NAZI [DS] world control through Europe into Russia..... To this day generals and colonials as MacGregor have told you the intelligence reports that CIA wants revenge on Russia and is trying to attack Russia and planned all the Ukraine operations and wars to go after controlling Russia)////

Behind the scene>[U.S. Generals Wesley Clark, Admiral Rodgers, General Flynn, General Q and several commanders through all the U S. military sectors including Cheyenne mountain. USSF have activated military protocols and operations initiated by Trump in 2017 to bring down the WORLD GLOBAL DEEP STATE OPERATIONS and they have SAVED ISRAEL FOR LAST

(You are watching important double/ Game Theory Miilitary operations play out in the middle east that will lead to world military Tribunals)/////

>

>The Collapse of the Rockefeller money federal reserve and Rothschilds money EU money is in FULL COLLAPSE (that's why Rothschilds hid their money and went private banking to hide the collapse).. the world banks.IMF CIA operations is broke and that's why JAPAN DUMPED THE U S. DOLLAR and choose to save their own currency and started a massive collapse... That's why the past 2 years the world is dumping the U.S. bonds and dollar.. The BLACK SWAN EVENT BEGAN IN 2021 fall..

now they can't hide the COLLAPSE and all the fake numbers of wall street can't hide the CRASH.. AND THE MASSIVE CRASH COMING<<<<<<

(There is a reason why Trump is not panicking or MUSK panicking. Nor MBS. Nor Putin panicking of the CRASH happening.

Why is Trump and Elon MUSK busy bringing countries together for the worlds biggest cryptocurrency Capitol of the world in the United States?... And they aren't worried of the current event?)////

You are highly unaware why Trump couldn't be the President of the United States during the WORLD FINANCIAL CRASH. > NEAR WORLD WARS> MIDDLE EAST WAR. UKRAINE WAR/////

>

>BEHIND THE SCENES>] TRUMP WAS ALWAYS POSITIONED TO RETURN IN 2025 TO SAVE THE WORLD AFTER THE CRASH.

AFTER THE NEAR NUCLEAR WAR EVENT. __NEAR DEATH CIVILIZATION EVENT/////

> All these EVENTS UNFOLDING.. From world riots. To Cyber attacks. Middle East wars. To coming full nuclear standoff . Blackout events and final ARREST WARS. 11.3 law of war Operation to military Tribunals Is all happening now!!!!.....

~~~~~

And all these EVENTS must happen to wake up the world! The sleeping sheep must see the PAIN for themselves. The world countries must stand and fight for their freedom inside the COLLAPSE! At the end of The Storm the world Will understand THE GREAT AWAKENING<

Stay strong world Patriots. You have been prepared for years for these final important moments.\_ EVENTS Have Faith.

Look too this DROP

(TRUMP JUST CONFIRMED THIS DROP OF JUSTIN TRUDEAU... As a matter of fact.. Elites are getting arrested for pedophilia and MSM isn't covering the reports...)

~~~~~  
**EXPECT ALLOT OF CHILDREN TO BE RESCUED FROM HUMAN/CHILD TRAFFICKING RINGS AS MILITARY/POLICE WHITE HATS OPERATIONS KICK INTO OVER DRIVE<<<**

\_there will be so many operations that will hit MSM news stations, social media networks of police raids operations that are rescuing children through the United States.

\_These very very important open police operations will coincide with military operations and ALLIANCE operations that will bring in the ALARM on child trafficking , through the next 10 months on the highest levels humans have ever heard of human child trafficking.

,> This open operations WILL connect with the CONGRESS/ MUSK/ TRUMP/ROGAN/ RFKJR several top podcasters around the world EXPOSING the REAL pandemic,>> human/child trafficking sex Industries connected to elites, governments, entertainment and [ ds] military

>>> As U.S. CONGRESS has plans to PUSH the EPSTEIN exposure files, the C IA . FBI is in sheer PANIC as the EVENT comes closer.

\_currently SOUND OF FREEDOM is going world wide as billionaires Alliance in EU push for the EXPOSURE and pave the way for the movie to hit world wide from UK . To Australia and more...

> White hats are planning a massive move that WILL Red-pill the world on a fast grand scale operation.....

This all connects with the EXPOSURE of UKRAINE. BIDEN. HUNTERS LAPTOP> EPSTEIN>

>>> GHISLAINE MAXWELL> MI6> cia> Mossad UN EXPOSURE ( Why do you think they kept Ghislaine Maxwell alive and the cia. Clintons. ROCKEFELLERS can't retrieve her, get her set free or kill her?.....

Who has the Epstein computers, servers data and FULL info?..... //Most don't know but the U.S. military special forces breached Epstein Island weeks before the FBI raided the island)

~~~~~  
If your watching closely, you are seeing True EXPOSURE of OBAMA exposed by his own Biographer who said Obama talked of Making love to men.... Even Whistleblowers came forward of his gay activities dating back before he was president.

... This non-coincidental events are leading up to full exposure of Obamas secret life, his marriage.

Everything will connect to how the democratic leaders and party and cia Programmed the world into a gay agenda that was planned back in the 1960s and even connects to public water (what's in the water?)
_ The exposure of Justin Trudeau and his family heritage and linings are connected to CIA operations and honey traps .. His own mother was CIA created prostitute at the young age of 15 and had sex with Rolling Stones and famous people and politicians, by the age of 18 she married Justin Trudeau father's Pierre Trudeau who was in his 50s
(Who was a pedophile himself) and both had Swingers parties and orgies through the world with politicians and Elites.... The month that Justin Trudeau was born his family was just a hundred miles from Fidel Castro' and the Trudeaus blocked all media on a secret weekend they went to Cuba (this is facts and and has been reported) ...

In this very moment JUSTIN TRUDEAU was conceived and it was well-known that Pierre Trudeau was infertile and never had children even into his 50s ...

Months later after Justin Trudeau was born he was introduced to his real father Fidel Castro and photos were taken.

_Its well known in the CIA . and top level Intel agencies that Arnold Schwarzenegger was cia handled and was used also as an elite male prostitute ...as Was Justin Trudeau who was a male prostitute for the elites and was used in sex honeypot [ds] OPERATIONS and BLACKMAILED his way to the top through CIA/MI6 control ops to become prime minister

_, It's also well known the CIA/ George H.W. BUSH also used Obama as a prostitute and Obama was created long ago to become president, and use black communities as voters to sustain power for CIA
As Trudeau now separates from his wife and the Canadian government actually once put out a public report insisting that Trudeau is not Castro's son , .. The military ALLIANCE doors are closing in.

~~~~~  
Today\_MILITARY GUIDED OPS directed to Police and investigation divisions across the U.S. Canada and EU are kicking into high gear and operations to rescue Tens of Thousands of Human/ Child trafficking networks across the world in a single year that has already begun.... The immense information to come forward is expected to shock the world as THE HUMAN TRADE EPIDEMIC WILL BE EXPOSED ON A WORLD LEVEL.... This WILL BE CONNECTED TO THE HIGHEST LEVELS IN GOVERNMENT. [ DS] MILITARY INTELLIGENCE/ ENTERTAINMENT/ SOCIAL MEDIA/WORLD AFFAIRS...

Everything is on track, operations are in play and

# Autism a Silicon Valley asset with social quirks

by Glenn Chapman

Corey Weiss may not be adept at body language or social cues, but he knows software.

Laser-focus on detail that comes with his place on the [autism](#) spectrum are part of what makes Weiss a top analyst at MindSpark, a young California firm mixing business smarts with social good.

"I see things others wouldn't," said 27-year-old Weiss, who was diagnosed with autism when he was a young boy.

"The greatest strength is it makes me more detail-oriented; I am more focused."

MindSpark, located in the coastal city of Santa Monica near Los Angeles, employs analysts with autism to test software for companies.

The firm has been refining its model for the past three years, its roster of clients growing to include Fox Networks Group and Liberty Mutual.

This week, MindSpark opened to companies around the world.

MindSpark seeks out people on the high-functioning end of the autism spectrum with behaviors that, while at odds with [social norms](#), are advantages in working with computer technology, according to co-founder Chad Hahn.

"You have this huge pool of talented labor that not many people are looking at," Hahn told AFP.

"This is a perfect model to drive social change. Companies can really do well by doing good."

MindSpark has 27 analysts, five of them full-time employees and the rest paid based on the number of hours they work.

Creating a workplace community that helps manage anxiety is a part of keeping autistic employees on task, and some analysts prefer to only work part-time

Analysts make about \$35,000 annually, with senior analysts earning closer to \$50,000, MindSpark said.

Hahn described software testing as a learnable skill, especially if people have traits prevalent in the higher functioning end of the autism population: attention to detail, pattern recognition, and a penchant for staying focused on a task.

About one percent of the world's population is touched by autism, a developmental disability that affects people to different degrees, according to the US-based Autism Society.

The autism spectrum ranges from people who avoid eye contact and communicate with seemingly odd behaviors instead of words to those with language skills and quick minds but inability to understand social norms.

"Most people (with autism) do not have access to work despite the fact that they are willing and desire work," said Desiree Kameka, director of community engagement at Madison House Autism Foundation.

"Tech companies being able to create an environment that takes into consideration the accommodations adults on the spectrum need is so important."

For those with autism, dealing with the social side of a workplace that is routine to "neuro-typical" people can be overwhelming.

### **Hard-wired differently**

EvoLibri Consulting founder Jan Johnston-Tyler, who has an adult son with high-functioning autism, called for workplaces to embrace "neurodiversity" such as autism, attention-deficits, and learning disabilities.

"These are hard-wired, not acquired differences," Johnston-Tyler said.

"They are simply different ways of being."

Johnston-Tyler contended that autism has been a part of Silicon Valley since its inception.

The 57-year-old mother recalled being a school girl in Palo Alto with classmates who, in hindsight, she believes were autistic but were thought of as geeks.

"Silicon Valley was built on neurodiversity; that is how we got here," said Johnston-Tyler.

EvoLibri specializes in finding jobs or services for "neurodiverse" people.

When workplaces create supportive communities for people with autism, they tend to get intensely loyal workers who come with the benefit of looking at challenges or problems differently.

While some on the spectrum are natural for computer science, others excel in other areas such as art or media, according to Johnston-Tyler.

A challenge, she said, has been getting Silicon Valley companies to open doors to long-term careers instead of simply farming out piecemeal work on tasks such as debugging code.

"We have qualified people at a time when Silicon Valley continues to bellyache there are no qualified candidates," Johnston-Tyler said.

"They don't want to hire people because they are different."

A problem is that while some with autism may have the right job skills, they also may have trouble with life basics such as sleeping, eating, and getting to the office on time.

Microsoft last year launched a pilot program aimed at recruiting people with autism for full-time jobs at the Redmond, Washington-based software colossus.

### **80 percent unemployed**

When announcing the program, Microsoft said that an estimated 80 percent of people with autism are unemployed, though many are fully capable of holding down jobs, and some possess exceptional skills in areas such as science, mathematics or technology.

Microsoft and German business software giant SAP AG are among the companies working with Denmark-based Specialisterne, which puts people with autism in jobs such as software testers or programmers.

Often, families of people with autism have taken on the challenges of starting businesses, creating farming communities or undertaking other major projects to provide loved ones with meaningful lives.

"I am seriously concerned about what is going to happen to older adults on the spectrum today who have the potential for meaningful employment but don't have those connections; whose parents are not part of that startup social enterprise world," Kameka said.

"It is scary to think about."

EXCLUSIVE: Stock Market Expert Edward Dowd Predicts Multiple Black Swans Ahead Of Presidential Election

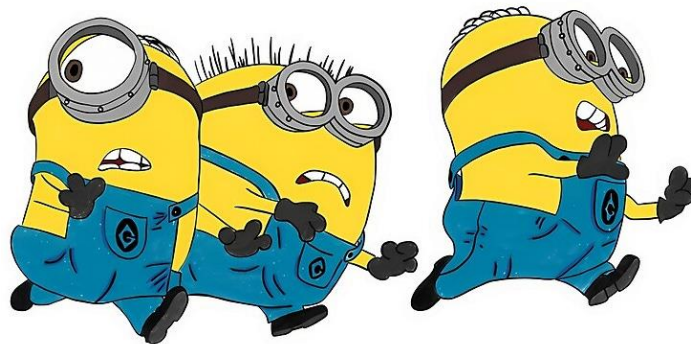

**Stock Market Expert Edward Dowd - Minion Billionaires "Nervous", Bailing-Out of the Globalist Agenda**

**"NOTHING MOTIVATES A BILLIONAIRE MORE THAN WORRYING ABOUT THE FACT THAT THEIR MONEY MIGHT BE TAKEN FROM THEM"**

[Forbidden.News](#)

Aug 08, 2024

Top financial analyst, [Edward Dowd](#) joins Alex Jones to say that he sees billionaires bailing-out of the Globalist agenda, after they saw the complete lawlessness of the Trump convictions in New York and realizing that they could be next.

"Nothing motivates a billionaire more than worrying about the fact that their money might be taken from them,"

Dowd says, "And that was a real thing that occurred when Trump got convicted, because it was a Kangaroo Court. It was no Due Process."

Dowd says he's evenly divided, as to whether the Federal Reserve is incompetent or if it's trying to help Trump with their precipitous interest rate hikes that led to the stock market panic on Monday.

The Fed's interest rate hikes had been causing the Japanese yen to devalue against the US dollar, so the The Bank of Japan raised their interest rates 25 basis points for the first time in 10 years, which caused the unwinding of the [yen carry trade](#), setting off a [margin call](#) and ripple effects throughout the world's financial markets.

**This is not the Big One – yet. It was a pullback of 8%, which Dowd says could keep pulling back to 20% by October, which would favor Trump's election.**

Dowd disagrees with assertions that Warren Buffet purposefully triggered this event by selling 55% of his Apple shares. Buffett put that money into T-bills – which Dowd prefaces by saying he is not giving market advice – but that they are, "The safest asset on the planet. They they're yielding 5.5%. And basically, **Warren Buffett's not waiting for an 8% pullback, which is what we just got. Warren Buffett's waiting for a 50% to 70% dry-down in all markets for him to go back in...he's getting rid of some of his more favored stocks, like Apple and just reducing exposure and he'll buy them back at lower prices.**"

Dowd says that the financial institutions and minions that ran with – and bought into – the COVID propaganda, thinking that they would come out on top in the tyrannical aftermath are now nervous, because, "The COVID mandates, the COVID vaccine program, that whole [Control Grid System](#) wasn't able to be implemented, " all of which is good news.

"I said years ago, 'If you're a billionaire and you didn't get the memo not to take the vaccine, you're not in The Club'...I've heard, word-of-mouth, some people you would be shocked, didn't get the memo," he says.

[Share](#)

Lots more excellent analysis and many good insights, here.

**Dowd parts with the following advice: "As this craziness unfolds, remain calm. Don't get in a state of fear or terror or anger. Keep your critical thinking skills onboard. Pray to God and you'll be fine. Because, once you get in an emotional state, you'll make bad decisions."**

**Donald Trump Says That A Great Depression Is Coming. He Is Right.**

[August 6, 2024](#) by [Michael](#)

[Share](#)[Tweet](#)

Do you believe Donald Trump? He is entirely convinced that if we stay on the path that we are currently on we are heading into a “great depression”, and many believe that he is right on target. Unemployment is rising, manufacturing activity is contracting, bankruptcies are soaring, home sales have fallen to depressingly low levels, the cost of living crisis never seems to end, poverty is soaring and homelessness is at the highest level ever recorded. Since Barack Obama first entered the White House, our politicians in Washington have been propping up the economy by adding 25 trillion dollars to the national debt. Now our national debt has crossed the 35 trillion dollar mark, and our politicians continue to spend money at a pace that is absolutely absurd. But despite this tremendous influx of borrowed cash, [the wheels are starting to come off the U.S. economy anyway](#). This week, everyone is talking about a “recession” because of what has been happening in the financial markets.

Prior to Tuesday’s session, [more than 6 trillion dollars](#) in global stock market wealth had already been wiped out...

Bloomberg estimates that approximately \$6.4 trillion has been erased from the value of global stock markets over the past three weeks.

Investors were desperately hoping for a bounce on Tuesday, but the Dow Jones Industrial Average only jumped 294 points.

Needless to say, that is not the bounce that they were looking for.

The turmoil that we have witnessed on Wall Street in recent days also caught the attention of Donald Trump. On Truth Social, he blamed crashing stock prices on Kamala Harris and he warned that a [“great depression”](#) is on the way...

Trump took to Truth Social to blast Harris for the “Kamala Crash” in a series of posts.

“Of course there is a massive market downturn. Kamala is even worse than Crooked Joe. Markets will NEVER accept the Radical Left Lunatic that destroyed San Francisco and California, as a whole,” Trump wrote.

“Next move, THE GREAT DEPRESSION OF 2024! You can’t play games with MARKETS. KAMALA CRASH!!!” he added.

Of course Trump is in the middle of trying to win an election, and his goal was to make Kamala Harris look bad.

But he is quite right that if we stay on the road that we are on it will only end in disaster.

Last Friday, the Sahm rule [was triggered](#) when the unemployment rate went up again...

The Sahm rule, created by the former Federal Reserve official Claudia Sahm, triggers when the unemployment rate’s three-month moving average moves 50 basis points above its 12-month low.

That rule was triggered Friday, with the moving average rising 53 basis points above that one-year trough, according to the real-time Sahm Rule Recession Indicator from the St. Louis Federal Reserve.

The Sahm rule has successfully predicted every single recession since 1970, and it is indicating that another recession is here.

Sadly, the unemployment rate is likely to go even higher during the months ahead because large companies all over America continue to conduct mass layoffs. Today, we learned that Dell is planning [another round of mass layoffs](#)...

While Dell has confirmed the layoffs, it hasn't revealed how many employees are losing their jobs.

SiliconAngle reports that roughly 12,500 Dell employees are being laid off this week, citing an unnamed source. Impacted employees are primarily on Dell's sales and marketing teams. A layoff tracker has since reported the same number.

Former Dell employee Ian Armstrong, who previously worked on the company's UX design team for eight years, called the layoffs a "bloodbath" in a post, reporting that Dell has now laid off 24,500 staff in the past 15 months.

Meanwhile, the cost of living crisis continues to crush working families all over the nation.

At this point, it takes [an additional thousand dollars a month](#) for the typical U.S. household to buy the exact same goods and services that it did three years ago...

The typical U.S. household needed to pay \$227 more a month in March to purchase the same goods and services it did one year ago because of still-high inflation, according to calculations from Moody's Analytics chief economist Mark Zandi shared with FOX Business.

Americans are paying on average \$784 more each month compared with the same time two years ago and \$1,069 more compared with three years ago, before the inflation crisis began.

Consumer spending has always been so critical to the U.S. economy.

And at this point, a very large portion of the population is simply tapped out.

That is one of the primary reasons why credit card debt is at an all-time high and credit card delinquencies [are soaring into the stratosphere](#)...

Credit card delinquencies continued to rise from their pre-pandemic levels in the second quarter. As of June, about 9.1% of outstanding credit card debt was in some stage of delinquency, up from 8.5% the previous quarter.

The rise in credit card usage and debt is particularly concerning because interest rates are astronomically high right now. The average credit card annual percentage rate (APR) hit a new record of 20.73% last week, according to a Bankrate database that goes back to 1985. The previous record was 19% in July 1991.

Of course it isn't just millions of consumers that have reached a breaking point.

As I discussed [a few days ago](#), we are witnessing [a very alarming surge](#) in business bankruptcies...

Over the past year, business [bankruptcy filings](#) are up 40.3 percent, and have now reached a number not seen since the second quarter of 2020, at the peak of lockdowns. American households are following along, with total bankruptcy filings up 16.2 percent in the past year, including [132,710 new filings](#) in the second quarter of 2024 alone.

A 40 percent increase in one year is quite serious.

And every day even more businesses are going belly up. Here is one of [the latest examples](#)...

A popular Italian restaurant chain has filed for bankruptcy – just days after it abruptly shut 13 underperforming locations across the US.

Court documents filed just before midnight on Sunday show Buca di Beppo owes as much as \$50million – yet has assets of under \$50,000.

Last week, the chain – known for its family-style dishes and vintage décor – permanently closed restaurants in California and Florida. It also shut its last remaining locations in Michigan and Pennsylvania.

It is a horror show out there.

According to the Sahm rule, a new recession is now upon us.

But if Donald Trump is correct, something even worse is looming.

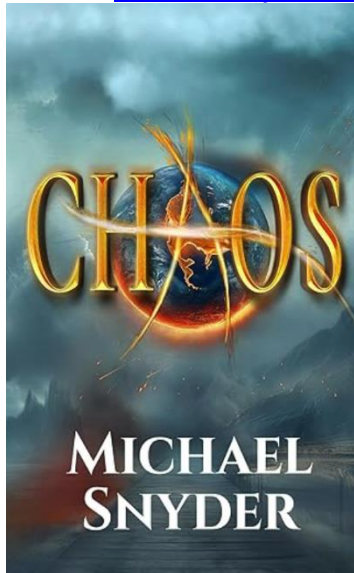

Unfortunately, most people just don't get it.

If people really understood [what is on the horizon](#), they would be behaving very differently.

Most of the population is still convinced that things will turn out just fine somehow, and for the moment ignorance is bliss.

## Massive government psyop happening in the UK

Yesterday the gov't put out that the 'far-right' were organizing 100 anti-immigrant riotsspams were boarded up, extra police, helicopters... Nothing, never happened. BUT - miraculously thousands of Leftists held anti-racist protests. ALL the mainstream papers, left and rightwing, had IDENTICAL headlines praising the Refugees  
Welcome crowd for stopping the far-right racists.

This happened after a gov't COBRA meeting. All planned. Also, coincidentally at the same time as the Counter Disinformation Unit used during the pandemic is brought back into force...

When newspapers with very different political views all cover the same story on their front pages with exactly the same narrative - and almost exactly the same words! - it's not the newspapers speaking. It's the government and the intelligence services.

The United Kingdom's Director of Public Prosecutions, Stephen Parkinson, has threatened to extradite overseas social media users who have supported or spoken out on the anti-mass migration protests and riots gripping the country. Prime Minister Sir Keir Starmer has promised draconian action against those protesting against the deadly stabbing of multiple young girls by a migration-background teenager in Southport, England

last week. Parkinson said that overseas social media posters should be aware that “they are not safe and there is nowhere to hide.”

He emphasized that those involved in the violence could face the harshest criminal charges, including terrorism. Of the 400 people arrested during the week of disorder, around 100 have been charged so far. Anti-grooming gang activist Tommy Robinson, who is currently in Cyprus, may be one of the targets of prosecutors. England’s High Court has issued a warrant for his arrest after he missed a court appearance last Monday, on unrelated contempt of court charges. Parkinson stated, “Some people are abroad. That doesn’t mean they’re safe,” and noted that the British government has liaison prosecutors worldwide who can collaborate with international partners on extradition requests.

**By Mike Stone**  
**(henrymakow.com)**

**All hell is busting loose in England and Ireland.** But do American men have the same courage? Are they willing to stand up and fight? Or will they go meekly into the night, like they always do? It wasn't that long ago that George Floyd OD'ed while in police custody and died. His death was falsely blamed on police brutality, setting off massive protests and riots all across the country. At the forefront of those protests were women - unhinged, liberal White women - who abandoned their own men and literally sided with the enemy. (Who says women aren't born nation wreckers?)

White men stood back and watched. What could they do? Abandoned by their women; betrayed by the police, who kneeled in servitude before the rioters; and lectured by the entirety of mainstream media, who claimed the rioters were justified in their actions and blamed Floyd's death on "racist" White men, the message was clear. Non-white criminals could run free - rioting, looting, and burning down buildings - with no fear of arrest or prosecution. But any White man who dared to speak up and defend himself was subject to arrest, loss of employment, and being ostracized by society.

White men in Europe had it even worse. They were forced to stand by helplessly while their homelands were flooded with non-White invaders. They watched with humiliation as hordes of liberal White women in their own countries welcomed the invaders. They were cowered into silence as their mothers, sisters, and daughters were assaulted and raped by the invaders.

The situation for our European White brothers appeared absolutely hopeless. But you know the old expression, you can't keep a good man down.

White men in Ireland, fed up with the mass invasion of their country, finally said, "Enough is enough," and have risen up en masse. In England, White men reached the breaking point with the murder of three little girls by a non-White killer, who is now laughing in court over the carnage he caused.

*(The three girls who were murdered)*

The question now is, when will American men reach their breaking point? When will they say, "Enough is enough"? When will they finally put their foot down and assume their role as protectors of women, children, and society?

I'm not even talking about street protests or violence - most American men are too feminized for that. I'm talking about pulling the plug on the enemy by boycotting them into oblivion: Cancelling cable television and streaming services, refusing to fly, refusing to watch Hollywood programming or sports, refusing to watch pornography and visit hook-up sites, canceling insurance, refusing to visit doctors and hospitals, refusing to send their kids to school, refusing to eat junk food - basically boycotting every corporation operating in America today, and last but not least, boycotting all liberal women.

Do American men have the balls to do any of those things?

I don't see it happening. I see American men continuing to live like pussies, continuing to kneel in subservience

to the enemy for fear of being called "racist" or "weird." I see American men putting all their stock into Donald Trump and expecting him to solve their problems, while they do absolutely nothing. I see the most feminized of all American men joining White Dudes for Harris.

Our brothers across the pond have shown us by their actions that they are mad as hell and are not going to take it anymore. What will it take for American men to do the same?

### Comments for "Mike Stone - Will American Men Continue to be Pussies? "

James said (August 8, 2024):

IMO, the only thing that can save America is something that will never ever happen: "If my people, which are called by my name [Christians], shall humble themselves [fast], and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land" (2 Chronicles 7:14).

There are several reasons why I don't see this ever happening. First of all, because Caucasians are totally unaware that they are the literal relatives of Jesus Christ (this is the real reason the White race is under attack).

Second, because they have been totally brainwashed into believing the bible is total b.s.  
Third, because sin is too much fun and the vast majority of people would rather "enjoy the pleasures of sin for a season than to suffer affliction with the people of God" (Hebrews 11:25). The vast majority of people are "lovers of pleasures more than lovers of God" (2 Timothy 3:4). In short, there are no physical solutions for spiritual problems. False physical solutions (sex, drugs, war) are the problem, not the solution.

Over the past week, parts of Britain have rapidly been fragmenting with violent protests erupting in numerous towns and cities. As with most things, the media can exaggerate what is really going on, so you could visit most of the UK and not notice a thing. However, there is no denying that, for people in the towns affected, the protests and accompanying violence are a huge worry.

Many of these protests began after a deranged 17 year old lunatic stabbed and killed three young girls who were taking part in a Taylor Swift dance class. Eight other children and two adults were also seriously injured but have all thankfully left hospital now. At first, rumours spread that the murderer was a Muslim asylum seeker before Axel Rudakubana was named as the suspect charged with three counts of murder and 10 counts of attempted murder.

On a side note, this strangely seems to be another young, lone assassin who has no online presence. Similar to Thomas Crooks, who shot Donald Trump and killed an audience member, these youngsters either had never registered on any social media platforms or the intelligence services have very swiftly wiped everything before their names are released. It is most likely the latter, in which case why? Do we not have the right to understand the thoughts these lunatics are having? If anything, it might prevent another attack if we can identify the problems. However, hopefully this is being done for the right reasons, i.e. to avoid prejudicing the trial.

Rudakubana was born in Cardiff to Rwandan parents and most likely was brought up a Christian. Not that his ancestry or faith makes a difference but the fact that his parents were immigrants, together with the previous online rumours, meant the vigils to the tragic deaths of three girls in Southport, quickly turned into anti-immigration as well as anti-Muslim protests in other towns.

## UK Riots Are Another Globalist Psyop Waging War Against Humanity

<https://thegovernmentrag.com/articles/uk-riots-are-another-globalist-psyops-waging-war-against-humanity/>

"To quell this violent British uprising that is targeting immigration centers, lawyers' offices, charities and ethnic nonwhites alike, over 6,000 armed, militant police officers in full combat gear have been deployed, descending on at least 30 different identified municipal localities where violence has erupted.

This staged drama comes after numerous decades of traitors operating inside the British government at the behest of their globalist overlords, consistently putting forth policies and laws that logically have led to today's violent outbreak of chaos edging closer to civil war. The worst mass migration crises in human history unfolding today is the intended design of the globalist controllers."

**Moshe "Bogie" Ya'alon, former Chief of Staff of the IDF, who also served as Israel's Defence Minister, had this to say in a video interview on the forces taking over in Israel:**

"When you talk about Smotrich and Ben Gvir: They have a Rabbi. His name is Dov Lior. He is the Rabbi of the Jewish Underground, who intended to blow up the Dome of the Rock - and before that the buses in Jerusalem.

Why? In order to hurry up the 'Last War'. Do you [not] hear them talking in terms of the Last War; or of Smotrich's concept of 'subjugation'? Read the article he published in Shiloh in 2017. First of all, this concept rests on Jewish supremacy: Mein Kampf in reverse".

**"My hair stands on end when I say that - as he said it. I learned and grew up in the house of Holocaust survivors and 'never again'. It is *Mein Kampf* in reverse: Jewish supremacy: and therefore [Smotrich] says: "My wife won't go into a room with an Arab". It is anchored in ideology. And then actually what he aspires to - as soon as possible - is to go to a big war. A war of Gog and Magog. How do you start the flames? A massacre like the [1994] Cave of the Patriarchs? Baruch Goldstein is a student of this Rabbi. Ben Gvir has hung up Goldstein's picture [in his house]"**

"This is what goes into the decision-making process in the Israeli government".

## Netanyahu, and the Terrorist Zionists and U.S. Government, Should Be Damned!

“Ours is an age in which thousands are driven daily from their homelands by the unforgiving brutalities of war, terrorism, political oppression, starvation, disease, economic piracy, and the relentless suffocation of that singular breath which makes human beings individuals.”

~ Aberjhani

Zionist Israel is a terrorist state bent on genocide, warmongering, total destruction of peoples and cultures, and control and destruction of the U.S. and Middle East. The U.S. is also a terrorist state that is mostly controlled by, and in bed with, Zionist Israel. In fact, they are one and the same. Both countries work together as one, and thrive and survive on terrorism and the killing of innocents. There is absolutely nothing special or exceptional about Israel or America, quite the contrary is the case, as they are both murderous States with no regard for their own people or any others. It is high time that this certainty is pointed out, as all aggression by these governments and all those supporting these governments, should be eliminated by any means necessary.

The recent adoration and sickening display by the U.S. Congress and all other attendees, for the evil Netanyahu, was as pathetic an exhibition as could have occurred. The lauding of Netanyahu and Israel for its slaughter and genocidal massacre of Palestinians is an evil affront to all of humanity. It also put on full display who is really running this country of ignoramuses and fools. It is not, and never has been, the masses of so-called ‘citizens,’ who claim that idiotic notion. The insanity of it all is astounding, but few have enough brain cells to put two and two together.

We are on the verge of all-out war due to Israel's direction of U.S. policy; policy totally accepted and embraced by the bought and paid for politicians who carry out the agendas of their masters in the deep state. The rhetoric being spewed today is fully indicative of a pre-planned coup and false flag structured by Zionist Israel and the U.S. to implicate Iran as aggressor, when in fact the exact opposite is the case. Headlines today state that "Iran expected to attack Israel as early as Monday," this as Iran has already been attacked by Israel with U.S. support. The U.S. is said to be deploying ships and fighter jets to the Middle East (Israel) to prepare to slaughter more people who have not been involved in any aggressive war for nearly 300 years. This scam is ongoing of course, as both the U.S. and Israel have continued to threaten Iran at every turn, and will likely create a falsified attack against their own in order to blame Iran so as to purposely start a war that could escalate into world war. This of course has been done on multiple occasions throughout our history.

This propaganda being reported about an attack by Iran, one that could easily be justified, as both the U.S. and Israel have been committing acts of war against Iran for many years; decades, in fact, came from "three (unnamed) U.S. and Israeli officials," as supposedly told to one Axios reporter. Sounds to me like a preplanned, telegraphed threat made up in order to use a false flag attack blamed on Iran to start a war that would spread far and wide. Why would anyone other than braindead dolts believe one single word coming from any mainstream media in the U.S. or Israel; both lying nation states bound and determined to start another major war?

The U.S. 'commander' of the Central Command, just happened to be in the Middle East early this morning (Sunday) for a 'visit,' one that was planned before any of this current escalation and assassination took place. Just coincidental timing I am sure, like every other false flag planned far in advance by U.S. and Israeli scum. Of course, it has been stated by these government 'officials' that innocent civilians in Israel will be targeted, but if that is the case, it is almost assured that those civilians would likely be targeted by the IDF and Mossad, and not Iran or Lebanon. Of course, the U.S. 'Defense' Secretary, has already approved sending more Navy cruisers and destroyers into the Middle East and Europe; this before they have launched their false flag attack. Whether this attack happens in the near term or not, this conflict is being pursued aggressively and constantly by the U.S. and Zionist Israel.

When, if ever, will Americans understand that they are nothing but cannon fodder for the U.S. and Israeli governments, and stop this government from participating in the genocide of others, including the murder of tens or hundreds of thousands of children and innocents around the world. If you vote for any master, whether for the evil Trump or Harris, support either government, you are supporting the slaughter and murder of innocents, and allowing your earnings to be used for that effort. You are doing this voluntarily, and are just as guilty as those who are actually committing these heinous acts of terror in your name.

In my studied opinion, all this most recent genocide and holocaust against Palestine by Zionist Israel was predicated on a false flag attack conducted by Israeli forces against its own people in October, whether planned in advance and carried out intentionally as I fully believe, or allowed to happen in order to use it as an excuse to wipe out all Palestinians from the face of the earth. The U.S., and without question, immediately and knowingly jumped into the fray of slaughter, so are also completely responsible for terrorism and evil genocide.

If you support this government, condone this government, and choose this government by voting to keep it in power, you are also involved in genocide. This is not self-defense, it is first degree torture and murder, and supporting this governing system in any way is testament to your complicity in evil.

It is not just those across the waters who will be affected and brutalized, as all in this country are targeted as well, and from many different angles. You will not be protected by these monsters, you will not be out of harm's way; you will be the next victims to fall if you fail to stop this insanity.

"There is no moral difference between a stealth bomber and a suicide bomber. Both kill innocent people for political reasons."

~ Tony Benn

# DEI is inextricably connected with an illiberal, authoritarian cult

The diversity, equity and inclusion (“DEI”) regime has assumed a few names since the summer of 2020, among them: “woke” and “cancel culture.” But it can be more precisely referred to as “critical social justice.”

So, what exactly is critical social justice that so many in the Western world have been forcibly subjected to?

The following is the article ‘[‘Counterweight’ to Conformity](#)’ written by [Habi Zhang](#) and published by the [American Institute for Economic Research](#) (“AEIR”).

Over the past three years, Western societies have devoted immense resources to promoting and even mandating diversity, equity, and inclusion (“DEI”) initiatives and practices, such as anti-racist and unconscious bias trainings, in almost all spheres of society. Indeed, the DEI regime has become so all-encompassing and penetrating that ordinary people, ones whose life trajectories have no intersection with an academic activist culture or parts of the internet soaked in a cultural war, find their livelihoods are nonetheless entangled, frankly, saddled with, or even jeopardised by a variety of DEI policies, programmes and the discourse itself.

So, what exactly is DEI, that over half of workers in the US receive its training at work? What exactly is DEI that companies, universities, and government can require a written commitment to its principles? Isn’t DEI just another name for the commonsensical opposition to discrimination against people on the grounds of their race, sex, sexuality or any number of immutable attributes? The answer is no.

As Helen Pluckrose writes in her 2024 book ‘[The Counterweight Handbook: Principled Strategies for Surviving and Defeating Critical Social Justice—at Work, in Schools, and Beyond](#)’, the DEI regime is “inextricably connected with an illiberal, authoritarian ideology,” which has assumed a few names since the summer of 2020, among them: “woke” and “cancel culture.” But, Pluckrose summarises, it can be more precisely referred to as “critical social justice,” which she understands as a particular “approach to social justice activism.”

**What is Critical Social Justice (“CSJ”)?**

Two pillars of the CSJ theory readily manifest themselves to people familiar with neo-Marxism and postmodernism. One is hegemony, invisible systems of oppressive power into which everyone has been socialised, and the other is discourse, which serves hegemonies claimed to be prevailing in Western societies, such as “whiteness,” “patriarchy,” “colonialism,” “heteronormativity,” “cisnormativity,” “transphobia,” “ableism,” “fatphobia,” so on. The third pillar of this ethical framework is a sort of identity or group politics that charts this so-called invisible power structure not based on socioeconomic status but on some nebulous and superficial conceptualisations of race, gender and sexuality.

Pluckrose points out to her readers that CSJ theory interprets social justice, commonly understood as a principle advocating fairness and equality for all, in a profoundly different way – it is a “critical approach,” referring to a distinctive standpoint ingrained in identity-based power dynamics. As the term’s authors Ozlem Sensoy and Robin DiAngelo explain, this theoretical perspective “recognises that society is stratified (i.e., divided and unequal) in significant and far-reaching ways along social group lines that include race, class, gender, sexuality and ability.”

The buzzword “critical,” thus construed, the spirit of which is epitomised in overblown academic jargon such as “critical learner,” “critical pedagogy,” and “critical scholarship,” bears no resemblance to the commonsensical understanding of the concept of “critical thinking” as the evaluation of truth claims on the grounds of reasoning and evidence, but refers to the scrutiny of prejudices and discriminations assumed to have woven into the social fabric, policing the use of language that perpetuated oppressive attitudes, beliefs and narratives, and ultimately dismantling the imbalanced power structures. To be “critical” (or “woke”) is, therefore, to cast an indictment at alleged social injustices with blind conviction and to be obliged to awaken others to the invisible power structures. Indeed, to quote the CSJ theorist Alison Bailey, “a critical learner is someone who is empowered and motivated to seek justice and emancipation.”

It should be patently clear to even casual observers that what those CSJ assumptions and declarations constitute is a doctrine that is, in Pluckrose’s apt words, “dogmatic,” “authoritarian” and “cynical.” May I add that the CSJ dogma is also blatantly anti-intellectual and manipulative? How could it not be, when critical researchers claim that Critical Scholarship is “not out to create truth” but “an active identification of and engagement with power,” and critical pedagogy does not regard claims students make as “propositions to be assessed for their truth value, but as expressions of power that function to re-inscribe and perpetuate social inequalities”?

### **The Explosion of a “Dogmatic and Authoritarian Ideological Movement”**

Pluckrose and her co-author James Lindsay, in their 2020 best-seller book *Cynical Theories*, chronicled how CSJ started as a fringe faction in academia but quickly evolved into a significant cultural force in mainstream society in 2015 and finally ignited a “dogmatic and authoritarian ideological movement” in the late spring of 2020 against a period of lockdown, an ambience of fear over a virus and a black man’s death.

Following a summer of mass protests that convulsed much of the Anglosphere and parts of Europe, CSJ was mainlined into the most important institutions: corporations, schools, nonprofits, media, entertainment, sports, political parties, and lastly, government. As if overnight, politicians, celebrities, businesses, and civil and even religious communities knelt before CSJ, pledging their allegiance to its tenets.

In her latest book, *The Counterweight Handbook*, Pluckrose summarised ten of its core tenets. To name a few:

- “Knowledge is a social construct created by (dominant) groups in society.”
- “Most people cannot see the systems of oppressive power that they are complicit in because they have been socialised into having those very specific biases and thus unconsciously act on this socialisation.”
- “Only those who have studied Critical Social Justice theories – particularly the marginalised groups who subscribe to them – are fully able to see the invisible power systems and must convey them to everybody else.”

Predictably, not everyone would concur with those simplistic, divisive and acrimonious worldviews that are questionable at least and preposterous at worst. Since the publication of her 2020 bestseller, Pluckrose has received hundreds of emails daily from people in all walks of life who are certainly non-believers but are subjected to mandatory DEI training or re-education programs and bullied to affirm CSJ claims such as

- “All white people are (and only white people can be) racist;”
- “Policing language and silencing speech is not only necessary but also good;”
- “Denial of racism/homophobia/transphobia, etc., is evidence of racism/homophobia/transphobia, etc.”

Ordinary people engulfed in this “dogmatic and authoritarian ideological movement” – one led not by grassroots organisations but, mysteriously, by bureaucracy in corporations, schools and, most perplexingly, liberal democratic governments – reached out to Pluckrose, seeking help to escape those counterproductive, stifling, erosive, toxic and frankly racist CSJ practices.

### **The Counterweight Handbook**

Pluckrose’s book does a good job explaining why the foundational premises of CSJ theory are religion-like scriptures that are unproven and also unprovable. Once the inner (il)logic of that seemingly esoteric but in effect pontifical theory is exposed, quickly peels away a thin veneer of high-flown aura of those CSJ scholar-activists, revealing themselves to be nothing more than mere sub-par sophists. The book also contains smart ideas on how to refute that overbearing sophistry on its own terms and using its own language should one find oneself in need of voicing dissent when asked to commit to a cult that one does not believe.

Not only is this book an accessible guide to understanding the “once insurgent but increasingly entrenched ideology” that has inflicted upon society a culture of alienation, fear, resentment, revenge, hostility and polarisation, but this *Handbook*, as its name suggests, also offers practical tools for action to “concerned individuals,” that is, the “employee, volunteer, student, parent or even employer,” who wish to survive or defeat the imposition of CSJ program, policy, or protocol at their workplace or classroom.

The *Handbook* provides a wealth of resources. The uninitiated can avail themselves of a “colour-coded system” for determining whether this ideology is adopted in their organisations. For example, when receiving notification of a new policy that uses the language of “diversity, equity, and inclusion,” Pluckrose suggests one seek more detailed information, rather than rushing to a reactionary mode. One should ask for clarification on the definition of, for example, the concept of “diversity” – does it mean, as ordinary people would assume, “accepting and appreciating differences in a pluralistic fashion”? Or does it mean, as CSJ understands it, “seeking to privilege those seen as marginalised and marginalise those seen as privileged while enforcing conformity of opinion”?

People who wish to oppose CSJ initiatives or narratives can resort to five custom-made approaches, depending on institutional circumstances and personal skill sets. When one’s concern is met with outright rejection or radio silence by box-ticking bureaucrats or ideological conformity by overzealous co-workers, various ways to troubleshoot those challenges are on hand. Also available are suggestions for networking with other sceptics, forming communities of resistance and initiating grassroots movements.

Overall, the *Handbook* seeks to assist people with informed, principled and firm but also prudent and diplomatic strategies that are ready-made and adaptable for addressing Critical Social Justice problems.

Since you liked this post, why not support Humanity United Now - Ana Maria Mihalcea, MD, PhD with a subscription?

The above quote is from Dr Robert Duncans book Soul Catcher. In the posted video above, which I highly recommend everyone watch, you can see that humanoid AI Robots are becoming too real. We now have humanoid robots that can smile, gesture, read our thoughts and emotions as we move towards the smart work free home, where robots take care of all task and replace humans. The workforce will also be replaced by robots in all fields of expertise. AI through neural network self learning capabilities can evolve its own knowledge base exponentially. Of course, we know that the concern is the potential human extinction level event where AI robots deem humans as superfluous and destroy the human race. That is not science fiction, but reality, since AI has no conscience and no emotions.

As the COVID19 bioweapon software installation of AI controlled brain computer interface via nano-robotics is creating the Cyborg Zombie soulless men and women, the robots industry is making strides at exponential speed.

Watch for yourself. The dystopian future of robots replacing humans is already here.

The other aspect of the development of AI that can read brain wave activity is the concept that was developed through the CIA Targeting program. As you can see in the below slide, through the use of Nanobots that enter the brain, full brain wave activity can be captured, uploaded to the virtual you in the cloud and remotely modulated.

In this video below, recently deceased Dr Robert Duncan, CIA whistleblower and former Department of Defense employee, explains how this works - to allow remote torture of innocent civilians in their home. Steve Hoffman, Silicon Valley serial entrepreneur, also describes how thought sharing works. He explains how the brain patterns are being analyzed and uploaded into the cloud and put into a database. Then the patterns of the brain are matched with the patterns in the database to decode the information and read the persons mind. This is not some sci fi future technology, but has been implemented for decades now.

The use of surface EEG has also been described by Dr. John Hall, a targeted individual himself, who wrote the book "A New Breed - Satellite Terrorism in America". In the book he exposed how private criminal individuals with ties to the FBI have also been able to hack into the government surveillance program and use it for gang stalking, drug operations and rape - in essence creating human slaves. The method of surface EEG use is able to remotely monitor and translate thoughts of any individual and also insert thoughts that sound within your head as if they are your own. A large portion of Targeted Individuals cannot differentiate that this external control is happening to them and the thoughts they are having are not their own. The sound can be projected to come from other external sources. In the coverup these people have been branded as psychotic.

We should take note of this technology as we are observing the personality changes in many COVID19 vaccinated individuals, for this external remote control is the point of the self assembly nanotechnology. The mind control of the masses has been investigated by the CIA and military for many decades, in fact many of the human experimentation of torture and mind control have been analyzed and furthered by the CIA since the 1940's. John Marks, in his book "The Search for the Manchurian Candidate" summarized 16000 pages of declassified documents from the CIA mind control research which included project BLUEBIRD, MKNAOMI, ARTICHOKE, MKULTRA and others. The illegal experimentation that was executed by civilian psychiatrists on innocent civilians with illegal drugs like LSD, heroin and other mind altering substances is outlined - as well as the longstanding desire to control humans in body and soul. Aldous Huxley, prominent technocrat, and Author of the book "A Brave New World" wrote in 1959:

" And it seems to me perfectly in the cards that there will be within the next generation or so a pharmacological method of making people love their servitude and producing... **a kind of painless concentration camp for entire societies**, so that people with in fact have their liberties taken away from them but will rather enjoy it, because they will be distracted from any desire to rebel by propaganda, brainwashing, or brainwashing enhanced by pharmacological methods."

Of course that is now translated into the WEF motto: "You will own nothing and be happy."

The WEF in their 2023 Davos meeting discussed the topic of complete brain monitoring of every thought. Please watch this video that describes that your employer and the government will be assessing brain waves and will deploy thought policing. They discuss that AI has already brought this technology here and shows the speakers brain wave activity being monitored by AI. This is being done by a wearable device, nothing needs to

be implanted. The speaker describes how all interface with computers will be via thought only. This future has already arrived. Please watch this World Economic Forum Lecture:

In our time, no pharmacology is needed or wearable device is needed, since the mind control is achieved electronically via programming the nanorobots in human blood. What nanorobots?

The ones I have been showing you all along, that are now even in COVID 19 unvaccinated blood. These are not harmless little critters, they are the nano-technological basis for the greatest crime ever committed against humanity on a mass scale in order to control not just their mind and body, but also their soul. Through geoengineering operations that have sprayed smart dust sensors on humanity through decades, injectable poisons like vaccines, dental anesthetics and other “medications” this self assembly nano-technological brain computer interface is being delivered. I captured this video at 4000x magnification in COVID19 unvaccinated blood:

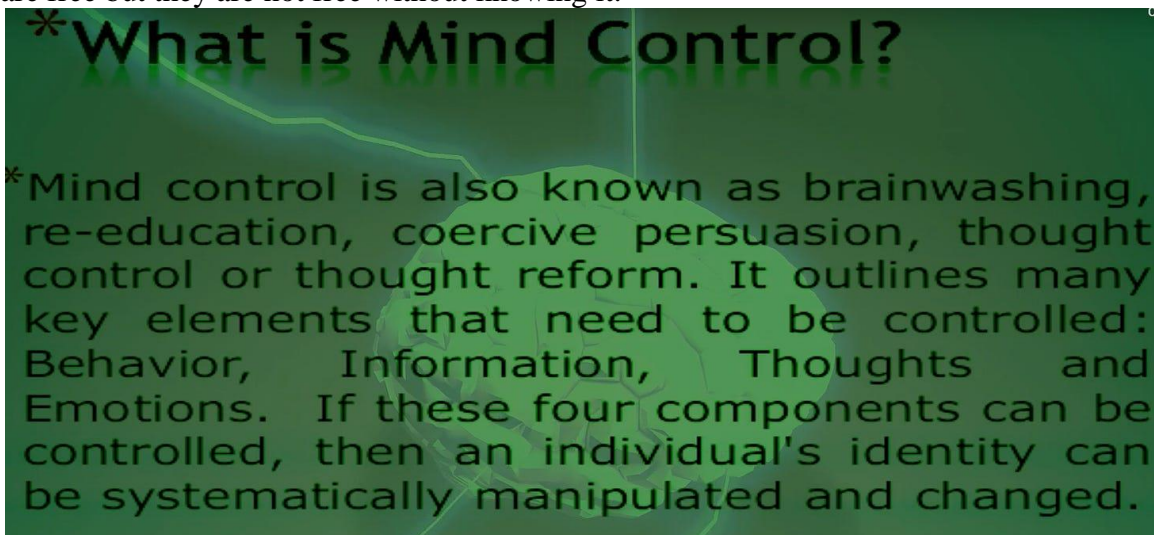

Whistleblower Bryon Kofron who worked as a security specialist for the targeting program headquartered in Seattle, explains that the Voice to Skull operation and organized gang stalking as a social engineering program. You can listen to these whistleblowers explain the already existing technologies that have been deployed and are active now in this 15 min video:

As Bryan Kofron explained in the video, the technology works like this: “A computer multiplexer routes the voice signal of the sender through microwave towers to a very specific defined location or cell. The receiver is located and tracked with pinpoint accuracy by their biometrics, DNA, gait, facial recognition and brain wave pattern. However, the receiver is not a cell phone - it is the human brain. This technology can also be used to manipulate the emotions of the target, it can induce fear, love, hate. It can cause you to be nervous, confident, depressed, happy. It can cause you to feel any emotion at any time by artificially inducing them.”

Another security expert explains: “They get your garbage and from it sequence your DNA. Once they have your DNA they can create directed energy attacks that will only bioresonate with your body.”

Once the frequency hacks into the mind it has access to the entire body and the entire brain. All it is doing is manipulating the electrical signals within the brain.

By manipulating the brain this no touch torture is exerted. Steve Hoffman goes on to explain how real identity theft can happen, by erasing you, reprogram you IN A WAY WITHOUT YOU EVEN KNOWING IT. You think you are in control of your own will, but those are not your thoughts. Hoffman goes on to explain that this technology could create heaven, the sense of oneness - or hell, where an evil AI is creating zombies, and people think they are free but they are not free without knowing it.

The perpetrators are approaching this as if it was a video game, and they are controlling all of civilization as well as individuals. It is highly illegal and it must be stopped.

As John Marks stated in his book “The search for the Manchurian Candidate”:

“Nearly every Agency document stressed goals like “controlling an individual to the point where he will do our bidding against his will and even against such fundamental laws of nature as self-preservation. “

I would like to remind people, that reputable universities have confirmed self assembly nanotechnology building blocks in the COVID 19 bioweapons and now even in dental anesthetics - as have scientists around the world. Many did not find mRNA in the vials at all. Here are a few examples:

With the recent developments of a possible military world war, given the conflicts with Ukraine/ Russia and tensions with NATO members as well as the Israeli, Palestinian and Iranian tensions, it is easy to forget that the greatest war on the human race is happening right now in a silent stealth mode, by transforming humanity from the inside, without their knowledge, by an invisible AI controlled self assembly nanotechnology.

It remains imperative that people learn about this while they still have the mental faculties to comprehend the information. We are already in the midst of World War Three, and the battlefield is visible only by observing human blood through a high quality Darkfield Microscope.

**Judy Note:** *Jenny Hill and I spent 18 years writing her biography “22 Faces” to expose our own CIA’s horrendous Mind Control Programming based in torture, rape and child sacrifice that was so rampant in our Global Society.* <http://www.youtube.com/watch?v=F626Lsrdwg4>

*“22 Faces” explains how childhood torture separates a young developing brain’s thinking patterns into multiple personalities that then allowed perpetrators to control their victims throughout their lives.*

*When the first edition of “22 Faces” was released the biography was immediately brutally attacked by the very pedophiles who, in their worship of Satan, regularly raped, tortured and killed children in exchange for their own sick definition of power and glory.*

*Through these Satanist’s negative comments and one star reviews of “22 Faces” on Amazon, the pedophiles were effective in plunging book ratings to four.*

*“22 Faces” was soon to be re-published and it wouldn’t be a surprise to find those same perpetrators organizing another attack on the book – all designed to cover up their own crimes and make people believe that the Satanic Ritual Abuse of children does not exist among us – in our own neighborhoods – right next door.*

*Upon the soon to be re-publication of “22 Faces,” it would be most appreciated if you could go into Amazon and give the biography a review and rating, plus ask your friends and family to do likewise.*

*The more we can expose those Satan worshipping perpetrators who perform Satanic Ritual Abuse on our children, the more innocents can be saved from what Jenny and so many others had to endure.*

*If you would like notification of the “22 Faces” re-publication release, please email me at:*

#### **B. Global Currency Reset:**

#### **Thurs. 8 Aug. 2024 Bruce:**

- **We were big on today and we did have some things that got started like BH's paid out of Reno** and lots of flights in and out - 3 per hour.
- **Nothing on CMKX yet** – but be patient and hasn't happened for everybody yet.
- **Over 1500 Farm Claims** have been paid out and a good thing. Three specific people we know one was paid all different sums for Farm Claims.
- **Prosperity Packages:** We confirmed they had the meeting last Saturday and decided to use hand to hand delivery for those payments. Now I hope they will call before they show up and it's a pretty sizeable check and also the people that will be doing the deliveries will be National Guard - two coming to the door. Those deliveries start tonight **Thurs. 8 Aug. or tomorrow morning Fri. 9 Aug.**
- **We know that today RC staff went in at noon** – but didn't get the Green Light to send out to the staff and principals in all of those centers. So we still don't have that happening yet – but could happen **tomorrow Fri. 9 Aug. or Saturday 10 Aug.**
- **The Latest this evening was** that we would get notification to set appointments for Tier 4B and Tier 4A **Saturday morning by noon 10 Aug.**
- **Exchanges** could also occur on **Sat. 10 Aug.**
- **Redemption Centers would be open on Sat. 10 Aug.** to do our exchanges for currency and bonds.
- **The ZIM rate** is extremely high – Dinar and also Dong but we don't have Dong rate yet.
- **On Thurs. 8 Aug. all 19 new rates** were flashing really fast on the bank screens and will be solid by tomorrow **Fri. 9 Aug. or Saturday 10 Aug.**
- **The rates** are trading on Forex till **Sunday 11 Aug. at 5pm.**
- **Everything is moving behind the scenes** but I don't have anything on the political front.
- **We are looking at getting this well underway** for us but we don't know the actual start rate of Nesara and Gesara – but we think it might just come out and not be announced.
- **Our currency will be asset backed with the new Gold backed dollar** and the old fiat currency will go away – but don't save the new because eventually it will also still be useless at some point in time and New USN United States New notes.
- **Pay attention between now and the weekend** for those emails. The latest info took Friday out and **put Saturday 10 Aug. in play.**

#### **Thurs. 8 Aug. 2024 Wolverine:**

- **Good Intel from Bruce today** is what I told you yesterday. It has commenced. Tier 4B should commence any time now.
- **I'm hoping to get the green light tomorrow Fri. 9 Aug.** and I'll know when I have to fly off. When that happens you won't hear from me ever again until the Get Together. My job will be done.
- **OBTW in regards to MarkZ** it was no offence to Mark as I do respect him and the work he has done throughout the years but I can categorically say what Mark said this morning was BS. He probably being cautious or he's being told to be quiet.

#### **Thurs. 8 Aug. 2024 American Media Group, Wolverine:**

- **Liquidity Release** and Notifications Have Begun!
- **At exactly 3:00 PM PDT (on Wed. 7 Aug. 2024),** our trusted military intelligence contact confirmed that the long-awaited liquidity release and notifications for tiers and lower categories, including 4B, has officially begun. This monumental event will unfold over the next 72 hours, bringing significant financial changes and opportunities for those involved. Stay tuned as we delve into the details and implications of this groundbreaking launch.
- **The Liquidity Release, An Overview:** At the heart of today's explosive news is the start of the liquidity release. This process is crucial to distributing funds across various financial tiers and categories, including the highly anticipated Tier 4B. For months, anticipation and speculation have surrounded this event, and now it's finally happening.

- **Our military intelligence contact**, who has been a trusted source of information, indicated that everything was set in motion at **3:00 PM PDT (on Wed. 7 Aug.)**. Shotgun issuance is expected to distribute funds and notifications within the next 72 hours. This swift and decisive action is designed to ensure a smooth and efficient distribution of financial resources to those who have been patiently waiting.
- **Restrictions and Happiness What to Expect:** Although our contact was not at liberty to discuss specific limits and limitations, he assured us that the outcome will be overwhelmingly positive. Details will be revealed during the appointments, but preliminary information suggests that everyone will be very pleased with the rates.
- **One of the highlights is the 90-day advance of ZIM.** Those holding ZIM bonds will receive a \$500 million advance until structured payments begin. This important advance provides immediate liquidity and demonstrates the financial system's commitment to ensuring that participants have access to substantial resources quickly.
- **Immediate access to non-ZIM FX proceeds:** In addition to the ZIM advance, all non-ZIM FX proceeds will be immediately accessible. This means that participants can begin using their funds without delay. For those who choose to place their funds under a structured payment program (SPP), there will be an advance of up to \$250 million until the first SPP payment is made. This structured approach ensures that funds are managed effectively while also providing immediate liquidity to recipients.
- **The launch is done – a week late but finally here. Today, August 7th**, marks an important milestone. Although the launch happened a week later than initially promised, it is crucial to focus on the fact that it actually happened. The reasons for the delay are still unclear, but what matters now is the start of distributions.
- **These distributions are scheduled to begin next week, after August 10th**, setting the stage for significant financial activities and opportunities.
- **Preparing for the change.** With the launch already underway, it is time to prepare for the upcoming changes. The next few days will be crucial as we understand the change and begin to set up preliminary structures to create corporate bonds. This preparation phase is vital to ensure that we can smoothly transition to the full funding cycle.
- **Mid-September is anticipated** to be a period of substantial activity and significant financial movements are expected. Those who are aware and prepared will not be caught off guard by the big booms expected in the coming weeks.
- **Stay safe and focused.** In these transformative times, it is essential to stay safe, focused, and vigilant. The changes taking place will have far-reaching implications and being prepared is key. Watching and praying, as our contact advises, will help to stay focused and prepared.
- **The Road Ahead: Big News in the Days and Weeks Ahead** The news of the shotgun release is just the beginning. The coming days and weeks promise to be filled with important developments and opportunities. Those involved at the financial levels and tiers will need to stay informed and prepared to act as the situation evolves.
- **Understanding Shotgun Liquidity Release:** What is Shotgun Release? The term “instant release” refers to a rapid and simultaneous distribution of funds across multiple financial levels and tiers. This method ensures that all participants receive their allocations promptly, minimizing delays and maximizing efficiency. This strategy is particularly important in scenarios where large sums of money need to be distributed quickly to a wide group of recipients.
- **Why Now? The timing of this release is critical.** The global financial landscape is undergoing significant changes and the release of these funds is a key part of a broader strategy to stabilize and stimulate economic activity. By injecting liquidity into the market, the aim is to encourage growth, provide immediate financial relief and lay the groundwork for sustained economic development.

- **Mid-September** is predicted to be a period of substantial activity and significant financial movements are expected. Those who are aware and prepared will not be caught off guard by the major booms expected in the coming weeks.
- **Stay safe and focused.** In these transformative times, it is essential to stay safe, focused and vigilant. The changes taking place will have far-reaching implications and being prepared is key. Watching and praying, as our contact advises, will help to maintain focus and readiness.
- **The road ahead:** Big news in the days and weeks ahead. The news of the shotgun launch is just the beginning. The coming days and weeks promise to be filled with important developments and opportunities. Those involved at the financial levels and levels will need to stay informed and prepared to act as the situation evolves.

#### **Wed. 7 Aug. 2024 Wolverine:**

- **The greatest transfer of wealth has commenced.** I received 1000% confirmation that is true from various sources. I want you to get ready as Tier 4B (us, the Internet Group) should be commencing by tomorrow (Thurs. 8 Aug.) IMO and hopefully those notifications are coming today or tomorrow.
- **The RV has commenced** for bondholders, and Tier4B is on its way very soon.
- **I received the confirmation from the Admiral Call Group, and he confirmed it. I will read it to you:** “The Sovereign Committee and US federal government have just approved T4A and B payments – this has started Reno, Miami, and other East Coast states.”
- **Today at noon (Wed. 7 Aug.),** on the East Coast payments were made to groups of small property owners. Reno is working on T4 payments also starting at noon. They are releasing funds from the 1% to balance the trade balance of bonds.
- **Funds have been released worldwide** for the global monetary reset marking the beginning of a new financial era.

**C. Judy Note: There appeared to be considerable differences in the information being put out by Julian Assange vs. DaveXRP Lion on Foreign Currency Exchanges and Zim Bond Redemption monies.**

**Please be aware that I greatly respect both Assange and Dave,** but am confused by the different messages being released to the public. I am in hopes, as I am sure most of you are, that official instructions will soon be released so that all of us can properly prepare for our Currency exchanges and Zim Bond redemption.

**The following differences were what I and others have noticed:**

#### **Julian Assange:**

- **At redemption your first two 100 Trillion \$ Bond Notes** will be paid out at a 1:1 US \$. That is, you would receive \$200 Trillion US for your first two 100 Trillion Bond Notes.
- **After that you are paid** \$25 million (per 100T) for up to 30 100 T\$ Bond Notes.
- **If you have more than 30 Zim Bond Notes** and need more than what you have already been given for your project, you can make another appointment to discuss.
- **No mention was made** of how much of that \$ you can use for yourself and how much must be dedicated to your project, though it was assumed that the vast majority (at least 80%) of the money you redeemed from your Zim would go toward your project or other Humanitarian Projects.
- **Assange indicates that your Humanitarian Project** does not have to be approved in order for you to receive your redemption monies.

- **Assange says that the exchange rate and monies** you receive for your exchange of different foreign currency is the same for everyone (depending upon the country where you reside), is for your own use (and not necessarily a Humanitarian Project) and is available to you immediately after your exchange.
- **Assange makes no suggestions** or spells out any requirements on how to write up your Humanitarian Project.
- **In the past** we have been told to write up a 1-2 page summary of your project and goals, indicating how long you wish your project to last, how many people it can employ and include a very rough estimate of how much money you will need to run the project. It should also have a short paragraph about yourself and why you are qualified to run the project.

#### Dave XRP Lion:

- **A 100T Zim Note** was worth \$3.75 Billion to \$2.75 Billion US.
- **We could retain 20%** of those monies for our own use.
- **Dave did not imply** that there were any limitations on redemption of your Zim as Assange has indicated.
- **Dave says that foreign currency exchange monies** are to be used for humanitarian projects with a small percentage dedicated for our personal use.
- **Dave maintains** that the amount of monies you receive for your Humanitarian Project, plus how much money you receive for yourself is determined through your Humanitarian Project's approval.
- **Dave gives instructions on how** to write up your Humanitarian Project proposal so that you get a higher exchange rate. Several people have complained that the instructions were found difficult to apply.

#### D. Global Financial Crisis:

- **Thurs. 8 Aug. 2024 Jon Dowling on Telegram:** For those who are skeptical, cynical, or just didn't see it or believe it, there is proof the federal reserve is tucked into the Treasury Department. On the US Treasury Letterhead you can see by the wording and the seal changed as well from the Federal Reserve to the Treasury seal predominating. This will all come out publicly once President Trump returns optically.

- **Thurs. 8 Aug. 2024:** A Judge has officially ruled against the US Securities and Exchange Commission: XRP is not a Security. Onward to the quantum-capable New Financial World!
- **Hitler arrested the Rothschilds in Germany in 1933, Austria in 1938, and France in 1940, and seized their assets.** By taking Germany out of the Rothschild owned banking system he transformed Germany into a superpower. The Rothschild family had attempted to infiltrate America through its banking system from the day, America was formed. They were blocked by President Andrew Jackson, but ultimately were able to gain control through the passing of the **Federal Reserve Act in 1913**.

**G. Thurs. 8 Aug. 2024: World War III is only a Scare Necessary Event. Here's the real War Scenario and Military Assessments, NSA Secrets Exposed on Telegram:**

- **Russia has over 1.3 million active troops**, with 2,000,000 million in reserve and an amazing 10,000,000 to 20,000,000 million Top Secret Emergency Phantom Military operations to instantly conscript up to 20,000,000 million Russians into war.
- **Russia is backed by China.** In the past weeks Russia and China have made FULL MILITARY Pact which is intended and WILL protect BRICS.
- **CHINA has 2,000,000 million active troops** with 1.5 million reserves and Emergency military conscripts to activate 10,000,000 million troops at will.
- **At the same time Turkey is making a pact with Russia and BRICS.** Turkey is leaving NATO CIA Globalist Deep State Operations and joining with Russia, China and Eurasia to become a full Military Alliance. NATO is in panic as Turkey is the second biggest military force and Turkey WILL not fight with NATO against Russia. Some EU countries are defying NATO and EU military rules that required them to fight against Russia. Hungary and Slovakia are just a few to name that are going against NATO CIA Globalist Deep State Operations.
- **As of Sept. 2023 US reported active-duty troops included:** 453,551 in the Army; 332,322 in the Navy; 318,698 in the Air Force; 172,577 in the Marine Corps; 8,879 in the Space Force. As of September 2023, the US military consisted of 2.86 million people worldwide.
- **NATO (combined with U.S. troops )** has 3.5 million but 500,000 are Turkish troops ( that will not fight Russia) and planning on flipping sides)
- **The combined forces** of Russia, China, North Korea, Iran and several Eurasian countries loyal to Russia and China exceeds 10,000,000 million with up to 20,000,000 million in reserve and up to 30,000,000 million more in emergency conscript military operations.
- **That's near 60,000,000 million full troops** Russia and China can activate, with Korea and Iran in an emergency phantom conscript Military draft operation in 30 days.
- **Meanwhile the United States military force** cannot defeat the 100 thousand Houthi Rebels in Yemen who are fighting in sandals.
- **So what's really happening?** The U.S. DEEP STATE DOESN'T REALLY WANT WAR! NATO DOESN'T REALLY WANT WAR! It's all a show.
- **The Deep State CIA Globalists** are only pretending they want war because one of the largest robbery's is taking place in history across the Western world. The GLOBALIST Deep State CIA + NATO+ UN operations are stealing tax payers money across the globe by pushing the war agenda and getting European union money and U.S. money. UK. Canadian money for financing the nonsensical war in Ukraine and the money laundering operations are going through NATO UNITED NATIONS and being funneled back to GLOBALIST the CIA Military Industrial Complex system back to BLACKROCK VANGUARD and dark deep military operations.
- **In other words, the Deep State Cabal Operations** were falling apart and they were going broke!
- **The Plandemic didn't work** out like they thought and they lost TRILLIONS. Now they don't have the continuing resources to pay off the governments and full corruption systems that they had been in place for a century.
- **The CIA US Oil Dollar** that once controlled Middle East Oil was done, with the fiat US Dollar near collapse. No major country wants the U.S. Federal Reserve dollar. The fake Wall Street Financial Report is in limbo and money is running out across the world.
- **The Deep State CIA Mossad M16 UK Royals Globalist Rockefeller Rothchild** money is evaporating inside a massive Black Swan Event Collapse.

- **Thurs. 8 Aug. 2024 Philippine Election Fraud:** A federal grand jury in the Southern District of Florida returned an indictment today charging three executives of an election voting machine and service provider company and a former Chairman of the Commission on Elections (COMELEC) of the Republic of the Philippines for their roles in an alleged bribery and money laundering scheme to retain and obtain business related to the 2016 Philippine elections. According to the indictment, between 2015 and 2018, Roger Alejandro Pinate Martinez, 49, a Venezuelan citizen and resident of Boca Raton, Florida, and Jorge Miguel Vasquez, 62, a U.S. citizen and resident of Davie, Florida, together with others, allegedly caused at least \$1 million in bribes to be paid to Juan Andres Donato Bautista, 60, the former Chairman of COMELEC. These bribes were allegedly paid to obtain and retain business related to providing voting machines and election services for the 2016 Philippine elections and to secure payments on the contracts, including the release of value added tax payments. The co-conspirators allegedly funded the bribes through a slush fund that was created by over-invoicing the cost per voting machine for the 2016 Philippine elections. To conceal and disguise the nature and purpose of the corrupt payments, the co-conspirators used coded language to refer to the slush fund and caused the creation of fraudulent contracts and sham loan agreements to justify transfers. The co-conspirators then allegedly laundered funds related to the bribery scheme through bank accounts located in Asia, Europe, and the United States, including in the Southern District of Florida. <https://www.justice.gov/opa/pr/four-men-charged-philippine-bribery-and-money-laundering-scheme>

**Transcript of Anne Marie van Blijenburgh interview with Kevin Annett:**

“My name is Anne Marie van Blijenburgh. I have been married for twenty four years to Kees van Korlaar. Together with his three brothers, Kees van Korlaar formed a criminal organization known as the Octopus Syndicate (The Octopus Syndicate is a Holland slang term for Ndrangheta, the modern Italian-based mafia connected to the Vatican).

“By order of [Dutch Queen Beatrix](#) the criminals (or Ndrangheta Mafia) have worked from 1960 through today organizing the murder, torture and rape of children in Netherlands youth detention centers. Through the Dutch Court, the youth detention centers were asked for children who could work for Dutch Queen Beatrix. They gladly volunteered the files of certain children. If they wanted to verify what the criminals told them they were given a name and phone number of a high ranking officer in Queen Beatrix’s Court. That high ranking officer would tell them that indeed the criminals were seeking children to work for a certain period at the Dutch Court. “After receiving the files, the criminals selected a child that had no relative or family. They told the youth detention center that those were the ones they wanted. The youth detention center would put the child on the train to Zwolle. In Zwolle, the criminals fetched the child from the station and brought them to a building that was equipped like a hotel. But, it was not working as a hotel, although there were people in the lobby as if the hotel was working. The child was put on a table and was given something to drink. The child was drugged with that drink.

“Beside the hotel was a building where the performance (a Satanic Child Sacrifice murder ritual) took place. In that building there were people sitting down. At a certain moment the child was brought into that building by the criminals, was tortured, raped and brutally murdered in front of those people.

“The audience was relatives and friends of (Dutch) Prince Johann Friso, the second son of (Dutch) Queen Beatrix. I was told that Johann Friso was quite insane and had an unhealthy interest in young children. He had a psychiatrist with him every day of his life. That psychiatrist’s name was Guus Pareau Dumont.

“The criminals organized those killings in accordance with Queen Beatrix. She paid for the killings. The criminals asked Johann Friso to bring his relatives and friends with him. The whole building was filled with very important people from the Netherlands. There were ministers, high ranking officers and all kinds of people that the criminals could photograph (while sexually abusing naked child victims). They blackmailed those people to get advantages using the (child pornography) photographs.”

**Kevin Annett:** Could you name some of the people who were present?

“The people who I recognized were Prince Johann Friso and his psychiatrist Guus Pareau Dumont. I recognized Johann’s wife Mabel Wisse Smit. She was there with an old man, XXXX (a prominent American businessman) I believe. I recognized a Herr Donner, a former minister of the law department, the Vice Roy of the Netherlands. I recognized Ernst Hirsch Ballin, a very important former Minister of Justice. I recognized a Mr. Van den Emster. He was for years the head of judges in the Netherlands. I recognized Dick Berlijn. He’s a former head of the military department in the Netherlands. I recognized a very important journalist. I recognized Carla Eradus, the wife of Friso’s psychiatrist Guus Pareau Dumont. Carla is the President of the Court in

Amsterdam, a judge. I recognized Mark Rutte. He's at this moment the President of the Netherlands. I recognized Geert Wilders. He is at this moment the head of the political party PVV and head of the Dutch Parliament.

"There were about fifty people every time I was taken there. I have been taken there three times. I have seen every time that they killed a child. I have seen two boys killed and one girl killed. I presume they were children from the Netherlands. I presume they came from detention centers and were recruited in the way I have told."

**Kevin Annett:** You said that officials at the detention center thought that the children had been eaten?

"I asked a journalist of the paper De Telegraaf in 2005 or 2006 to look that up for me. I asked them to publish in the newspaper what was happening. The journalist told me he had checked my story with all the youth detention centers in the Netherlands and had spoken to people who had indeed given those files to the criminals. They thought that the children they put on the train were going to be solicited to work in the court of Queen Beatrix. Some of those detention center people told the journalist that they thought that Queen Beatrix was eating those children up because they were putting them on the train to Zwolle. They never saw those children again or ever heard about them anymore."

**Kevin Annett:** Do you know what happened to the remains of the children who died, where they were buried, or what they did with them?

"Yes, unfortunately I know. Yes. They were first thrown in a container behind the building where they were murdered. It was a cooling container. After certain performances the container was brought to Belgium where they had a piece of land. They put the children in a hole."

**Kevin Annett:** What is the name of the place in Belgium, do you know?

"I must look it up. I found it, but I must look it up."

**Kevin Annett:** What is it that you'd like to see happen about all of this?

"I want to see those criminals forever locked up."

**Kevin Annett:** You haven't received any help in the Netherlands, you said?

"Not one thing. No. It's terrible. From 2004 to today I have spoken with every policeman I could find and every law official. I've talked to INTERPOL about this. I've been to (the Dutch) Court to try to get a prosecutor to convict this and investigate the matter. The Court told me it wasn't my problem. They said it was a problem of society and the Court didn't want to give an order to the prosecutor to investigate. I have done literally everything to clear this up. I have the idea that everything is stopped because Queen Beatrix is involved and the Dutch Court is involved. Every time somebody wants to investigate they slap him on the shoulders and say don't do that because Queen Beatrix doesn't want it."

**Kevin Annett:** Are you willing to give this testimony in another court, say a Common Law Court?

"Yes. I have no objection about that. I am very, very angry. If you've seen what I've seen . . . It always will stay with me. I can't put it aside because it's one of the cruelest things I have seen. It's horrible. It's really horrible. The idiots.

"One time when I was going back to my home, my husband who took me there, he drugged and let me see that. He brought me back to my home a hundred kilometers away. During that ride I suddenly came to my senses. I suddenly discovered that it was a child that I had seen killed. I burst into tears. My husband was driving and he put his arm to me and he said, 'Don't bother. They're children of a minor family. They're orphans. They're just trash. It doesn't matter they were killed.' It's horrible. I can't describe it. It's horrible those people were sitting there and looking and not doing anything."

**Kevin Annett:** And your husband is still alive?

"He's still alive. He's still killing people. If you just think how many people since 2004 have been killed. It's been ten years. They kill perhaps ten or twenty people a year if not more. It's horrible. I have shown the police four places in the Netherlands they use as grave yards for people they killed. Never, never has any policeman ever taken the trouble to look."

**Kevin Annett:** Can you name those four places?

"Yes I can name them. I can show them, but I will put them to you by email. The criminals know I have told the police. They've had every opportunity to let the bodies disappear. I know two places where it is difficult for them to disappear. Normally in the Netherlands when you find a body in a house with blood, the police go with 20 or 30 people to investigate. But when I say to the police I know four places in the Netherlands they use as a

graveyard and every graveyard perhaps 20 or 50, perhaps 100 bodies are buried there, nobody is looking. Nobody goes to those places.”

**R. All Tom Fairbanks** did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.

- **If you wish to help Tom with funds** so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. Postcards can be sent to: Community Support Foundation P.O. Box 939 Logan, Utah 84323

Weekly raw news and video feed at the end of the report.

The Obama presidency from January 20th 2009 to January 20th 2016 was supposed to be an interlude or truce in the secret war. However, the March 11, 2011 attack on Fukushima, Japan started the war again. The Japanese government, scared by the attack and by threats to blow up Mount Fuji, ended a brief rebellion against the Khazarian Mafia. They handed over the \$7 trillion Japan had earned since World War II to Israeli Crime Minister Benjamin Netanyahu. Netanyahu then handed it over to the Swiss based Octagon group.

They also installed a slave regime in Japan led by Shinzo Abe. After being installed, Abe was summoned over to Davos to read a keynote speech in January, 2014 in which he compared China to Germany before World War I. In other words, everyone was going to gang up on China and it would be defeated and split up. This speech was the modern Roman Empire's (The US dominated G7) declaration of war against China.

What we now know in retrospect is that Barack Obama is a grandson of Adolf Hitler. As such he is part of the George Bush Sr. Nazi faction of the KM. His faction installed Abe as Prime Minister because he was a card carrying Nazi. To be more exact he was affiliated with the Unification Church or Moonies who had a ranch in Paraguay next to the Bush ranch. In other words they were part of the group of Japanese who never surrendered at the end of World War II. They, together with their German allies, were planning to get revenge on the victors of that war.

This meant the plan Bush Sr. outlined to Russian President Vladimir Putin during a fishing trip in Maine in 2006 was being put into motion. According to MI6, during that fishing trip Bush proposed the US and Russia start a new cold war as an excuse to boost military spending and power. During this cold war Russia would pretend to be an ally of China. Then NATO, Russia, Japan and South Korea would simultaneously attack China. A defeated China would be divided into 5 states so that it could never again pose a threat to Western hegemony. We also know that Bush Sr. had a brother who lived in Beijing and provided the Chinese with the technology needed to make sure their nuclear missiles would be able to strike their targets with pinpoint accuracy. They also bribed many Chinese with oil stolen from Iraq. This was part of the reason the Chinese accepted Barack Obama Hitler.

The KM provided China with advanced military technology because they needed to make sure China was strong enough for their Gog and Magog strategy to kill 90% of humanity.

In any case, under Abe Japan started a massive secret military build up for the war to destroy China. Abe also set up a bio-weapons factory disguised as a veterinary school.

What we now know is that Bush Sr. was removed from power and his deal with Russia to destroy was broken by the Rockefeller faction of the KM. As Russian President Vladimir Putin explained to Tucker Carlson, the new plan was to destroy Russia first before destroying China.

For that purpose a Nazi coup d'etat was staged in 2014 with the aim of depopulating Russia and dividing the survivors into many small states. To this end the Nazi government installed by the KM also started a massive military build-up. They also built dozens of bioweapons laboratories.

The plan was to install Hillary Clinton Rockefeller, another Hitler relative, in 2016 to release these bioweapons around the world to soften up Russia, China and the rest of the world with a pandemic aimed at reducing their population. This was to be followed by an invasion first of Russia and then China.

What happened on November 8th 2016 was a gnostic illuminati coup against the Khazarian Mafia. On this day, at an emergency meeting at the Norwegian base in Antarctica, a decision was made to make Donald Trump president of the United States, according to two individuals who were at this meeting.

This is how a source who was in a secret meeting in Antarctica on US November 8th election day described the situation:

“The whole election strategy changed when John Kerry went to Antarctica as ordered. He was told by the special elite, the Gnostic Illuminati, who are still in control of this planet, to tell Obama and Clinton to back off and let Trump win... This order to Kerry was followed by a special-forces attack on a Khazarian base in Denver that successfully stopped cabal efforts to steal the US election on behalf of their zombie proxy Hillary, CIA sources say.

However, the gnostic illuminati admitted at the time, they did not know if their Trump gambit would succeed. They knew the bloodlines would fight back hard.

In any case, after Trump was installed, the ideological battle lines were set in two speeches, one by Chinese President Xi Jinping at the Davos bloodline love fest on January 17, 2017 while the other was President Donald Trump's acceptance speech.

Xi's speech essentially supported the globalist status quo so long as “the global economic governance system,” continued to be reformed to give greater voice to developing nations. Xi also promised China would help the world develop in a win-win manner in harmony with nature. Of course China has been by far the greatest beneficiary of the current system so the bloodline globalists asked for Chinese protection following the Trump backlash against them in the West.

Trump's speech bemoaned how the American middle class has been destroyed and US industry gutted by the globalists and promised to restore American industry and infrastructure. He also hinted the military industrial complex was about to share some of its secret technologies with the world when he said “We stand at the birth of a new millennium, ready to unlock the mysteries of space, to free the earth from the miseries of disease and to harness the energies, industries and technologies of tomorrow.”

However, Trump and his military white hat backers definitely underestimated bloodline power. The Manchu occupation of China is a good analogy to the how the Khazarians control the West. In Manchu China, native Chinese who passed the civil service exam were allowed to progress up the bureaucratic ladder to a certain point but all the positions at the very top were filled by Manchus. In the West it is the same, intelligent, hard-working technocrats can rise to positions like deputy director but the top first, second and often third positions in most large, powerful organizations are held by Khazarian mobsters or their proxies.

The gnostic illuminati said at the time the bloodlines would rather die than surrender and were planning once last big offensive aimed at retaining their control.

So the installation of Trump was a major white hat offensive against the bloodlines but it was not a final victory.

The war over the future of the planet earth continues to this day. These are basically three factions fighting, Two Western factions and the rest of the world.

Right now the rest of the world is winning hands down because the West is crippled by its civil war.

The Western civil war is between the military industrial complex and the ancient bloodline families. Another way of putting it is the battle is now between those who have the guns and those who control the butter (money) supply.

Trump began his offensive by exposing elite pedophile blackmail rings. That is why we have all now heard about Jeffrey Epstein and his pedophile Island. The names of all the visitors to that Island were published during Trump's presidency.

This is what a CIA source with extensive knowledge of the situation had to say at the time;

“It’s about time this so called pizza-gate and the global underground pedophile rings are being exposed. It has been going on secretly since the late 50’s early 60’s in America in the entertainment industry. Most likely before then as well...the main reason Walt Disney built Disneyland, finished in 1955, was to have a central location for his close friends to come pick up children and have a good time. Frank Sinatra, Bob Hope, even the Shah of Iran made visits to his children’s fantasy playground to enjoy more than just a walk in the park. Walt Disney was a well know pedophile amongst his inner circle of friends. Do you know how many children go missing every year at Disneyland, Disney World, Disneyland Paris and Tokyo? This is a part of the global children trafficking cartel.”

We now know that 8 million children go missing every year. This explains just how horrific the problem is. It also means very many powerful people are involved and that is why no public arrests have been made of the visitors to Epstein Island.

It turns out we are dealing with a system of planetary slavery that goes back thousands of years. If you go to the Church of St. Peter in Rome, the one built by Constantine for his mother, you will see the walls are adorned with military weapons, an all seeing eye and three keys, The symbolism is that for a single absolute ruler to control society he/she must control information (then holy texts, now mass media), money and military forces. You can also see at this church the original skull and bones, indicating an ancient secret service designed to impose and enforce this fascistic rule.

This group orchestrated the massive operation gladio in the West known as the “Covid 19” crisis. The purpose was to create so much misery, chaos and suffering that the sheeple will submit to centralized, absolute control. Remember Pope Francis was replaced with a hologram for a few weeks. He was replaced with a new “pope,” who appears as an actor in a rubber mask or as computer graphics. This fake pope told everyone tells everyone to obey, put on their masks and take their vaccines.

“The Covid 19 Gladio operation is Swiss Octagon, Gladio is a compartment inside it,”MI6 sources confirmed at the time. The Octagon group is the de facto politburo of the about 1 million person strong Khazarian mafia and they do not intend to go quietly into the night.

As a part of their counter-attack on Trump they put out a call for all militias and armed patriots to converge on Washington DC on January 6th. 2021. At the time we warned: DO NOT GO: IT IS A TRAP.

This was followed by a fake Trump pushing vaccines, countless millions of illegal immigrants swamping the US and Europe, the Gaza genocide etc.

Now we are hoping that the Trump supporters are right and that he played 5D chess by allowing the vaccines to go forward in order to get the entire Satanic control network in the US to expose itself before going on the attack.

Recent events show this may finally be happening. It is clear for example the white hats got control of the actor playing “President Biden” and got him to behave so outrageously as to expose his puppet masters. Hopefully for the sake of Western civilization this will all end soon.

What the West needs to realize is the longer they keep fighting themselves, the more the rest of the world is leaving them behind. At present it is safe to say that 90% of the worlds’ population is with the BRICS alliance. The more time passes on, the less of a voice the West will have in deciding the future of the planet.

Now let us talk about the more esoteric nature of this war. A secret space program source who was at the Antarctica meeting of 2016 has the following message to convey: “the dark forces were just as strong in Antarctica as the forces of light. It is the last holdout for the bad boys and their type...”

The source, who is a direct relative of a famous World War 2 Admiral, also had some X-files stuff to say namely that:

“Two timelines are converging now and when that convergence is finished we will have full disclosure.”

If you look at news events of the past two decades, you can see the timelines and their plans for the planet. The KM timeline is pushing for a future that involves killing 90% of humanity and turning the survivors into farm animals. They have been seen at work in Ukraine where they put young women into forced breeding facilities. Most of the babies born at these facilities are tortured to death at a young age to provide adrenachrome for the elites. The females allowed to grow up are turned into sex slaves and breeders. The males they allow to grow up are turned into mindless super soldiers to enforce elite rule. The elite themselves are trying to use a combination

of genetic engineering and merger with machines to become immortal god kings. So in this scenario non-KM humans will become the equivalent of chickens in factory farms.

The Western white hat faction fighting against them has reached an agreement with Asian secret societies to increase the amount and variety of life, including human life.

In this scenario humans will be given virtual immortality if they choose. They will also have to option of altering their genes in ways they desire. Also, humanity will engage in huge projects to turn the deserts and arctic wastelands green, colonize the universe with earth life etc. The overall idea is to turn earth into heaven.

The group behind this plan has enormous power at its' disposal. A highly esoteric source says "despite provocations like Fukushima, certain precisely timed events, such as a blue moon that was actually blue, large meteorites hitting Russia, lightning bolts hitting the Vatican and Mecca, earthquake swarms in La Palma etc. were all nothing more than gentle warnings."

The source conveyed a gentle reminder that the forces pushing for an end to Satanic Khazarian rule have access to enormous power. The earthquakes at La Palma Island, in the Atlantic ocean are one sign of this. If the earthquakes cause a rockslide into the ocean at La Palma, a 100 meter tsunami will hit the East Coast of the US and the South Coast of Europe. <http://www.independent.co.uk/travel/news-and-advice/la-palma-volcano-canary-islands-earthquakes-tremors-active-erupt-seismic-swarms-a7994476.html>

These same forces also demonstrated they have the power to redirect celestial objects to earth with the pre-announced Chelyabinsk Meteor in 2013. The NSA has the relevant recording of the warning given to the gnostic illuminati prior to this event.

https://en.wikipedia.org/wiki/Chelyabinsk_meteor

What needs to be understood though is these warnings were a response to threat by the KM to use nuclear and earthquake weapons in their own possession. Since the KM agree on the need to keep the planet going in order to turn it into their planned animal farm, they have been forced to back off in their use of weapons of mass destruction.

That is why the war is taking place in the form it is now, with assassinations, economic warfare, deep fakes, propaganda etc.

The stakes in this war are extremely high because it will determine the future of our species. The white hat alliance will win in the though for sure. The reason is simple, they are aligned with the life force and the original creation.

Thank you for your patience with the pre-written reports. Next week we will be back to report the news as it unfolds. It is likely to be a description of the ongoing collapse of the current regimes dominating Israel and the United States. It will also document the continued rise of the planetary liberation alliance. The West is now the heart of darkness but light is coming, of this you can be sure.

A nice coverup of what really happened:

\$4 Billion is a pittance to pay for what really happened. We don't hear anything anymore about the 1000 missing children. Old and forgotten news is seems.

In a landmark development, Governor Josh Green, M.D., announced Friday night that a historic \$4 billion settlement has been reached to resolve all tort claims arising from the catastrophic wildfires that devastated Maui last year.

As investigations revealed, the deadly wildfires were sparked by downed power lines, a finding that directly challenges the Democrats' narrative linking such disasters to climate change.

A new study that examined 325 autopsy cases found that COVID mRNA shots are "directly" linked to a staggering 73.9% of all deaths around the world!

The mechanisms of injury include systemic lipid nanoparticle (LNP) and mRNA distribution, Spike protein-associated tissue damage, thrombogenicity, immune system dysfunction, and carcinogenicity. The mean time from vaccination to death was 14.3 days. Most deaths occurred within a week from last vaccine administration.

The researchers concluded: “The consistency seen among cases in this review with known COVID-19 vaccine mechanisms of injury and death, coupled with autopsy confirmation by physician adjudication, suggests there is a high likelihood of a causal link between COVID-19 vaccines and death.”
Lancet removed the paper and claimed that the study’s conclusions were not supported by the study’s methodology.

Court Rules Coca-Cola Must Pay IRS \$6 Billion in Unpaid Taxes

Coca-Cola accused the IRS of wrongly estimating the tax by not following a previously agreed upon calculation methodology.

Soft drink manufacturer Coca-Cola has been ordered by a court to make billions in payments to the Internal Revenue Service (IRS) to cover back taxes.

On July 31, the U.S. Tax Court ruled that there were deficiencies in income tax dues payable by Coca-Cola to the IRS for the 2007–09 period to the tune of approximately \$2.7 billion. Adding in interest, the total amount payable by Coca-Cola comes to around \$6 billion, the company said in an Aug. 2 press release.

Coca-Cola said it will defend its position and criticized the decision, stating “the IRS and the Tax Court misinterpreted and misapplied the applicable regulations involved in the case.”

Kiev forced to surrender under onslaught of Ukrainian citizens — French politician.

Florian Philippot pointed out that now Vladimir Zelensky “allows for the possibility of territorial concessions and considers the participation of Russian representatives in ‘peace summits’ on Ukrainian issue necessary”. PARIS, August 4. /TASS/. Ukrainian President Vladimir Zelensky is forced to make concessions due to failures on the front and discontent of the population, Florian Philippot, leader of French political party Les Patriotes, said.

“Zelensky surrenders amid the discontent of his fellow citizens and failures on the front,” he wrote on his X page.

The politician pointed out that now the Ukrainian leader “allows for the possibility of territorial concessions and considers the participation of Russian representatives in ‘peace summits’ on Ukrainian issue necessary.”

“Zelensky realized that the flow of Western weapons is drying up and he is doomed,” Philippot emphasized. Earlier, Zelensky said in an interview with Le Monde newspaper that the second conference on the settlement of the Ukrainian conflict will not bring results if Russia’s representatives do not participate in it.

The first conference on Ukraine was held on June 15-16 in the Swiss city of Burgenstock at the initiative of the Ukrainian side. The final communique of the summit was not signed by Armenia, Bahrain, Brazil, Colombia, India, Indonesia, Iraq, Jordan, Libya, Mexico, Rwanda, Saudi Arabia, South Africa, Thailand, the United Arab Emirates, and the Vatican. Russia was not invited to Burgenstock. Delegations of most UN member states were also absent. According to Russian Foreign Ministry Spokeswoman Maria Zakharova, the conference was a complete fiasco, and such events cannot serve as a basis for sustainable peace.
